APPENDIX 11

| | |
|---|---|
| | Felling of Roadside and Greenway Ash impacted by Ash Die Back Disease 2022 |
| Lot Number | 11 |
| Date | 29/4/2022 |
| Site Address | Linear Pk Bloomfield to Monksdale Rd, BA2 2DN |
| Summary Job Description | Fell All Ash stems - approximate locations shown on plans.<br>These stems have been marked on site with orange paint.<br>Approx. no. of stems 205 |
| Site Specific Information | Vehicular Access is from Cotswold Road, side of no. 103.<br><br>Combined Path through the Linear park is not a PROW so the main path can be closed to public access for works. This is providing sufficient measures are put in place to protect the public, advanced warning is given including putting up notices to inform the public that the path will be closed and diversions put in place for pedestrians and cyclists.<br>Please note the close proximity to a primary school. Works immediately adjacent to the school need to be carried out when the students are not in school ie. during school holidays as the noise from the operations is too disruptive for lessons. Access to the school playground is possible at this time with the school's permission. The contractor to arrange all consents etc. with the school and will be responsible for adhering to any conditions the school may require. |

**Ash Dieback Felling Plan Linear Park Bath Between Monksdale Rd , Maple Grove**

**Trees to fell marked in red with red label indicating number of stems to fell. Number of stems corresponds with number of stems marked with orange spray 24/03/22. Group marked in red on plan below; fell all ash stems only. Retain all other species.**
