Attachment 8: Conflict of Interest Declaration

Guidance:

Potential Suppliers should describe in detail each perceived Conflict of Interest (or how it could be perceived in the context of this Procurement) and the measures it will take to mitigate or resolve the Conflict of Interest through the life-cycle of this Procurement and any resulting Contract.

Potential Suppliers are reminded that failure to identify material Conflicts of Interest or a failure to mitigate or resolve any Conflict of Interest to the satisfaction of the Authority may lead to exclusion of the Potential Supplier from this Procurement.

Each Potential Supplier has a continuing duty to disclose actual or potential Conflicts of Interest in respect of itself (and as a Lead Supplier if a Group of Economic Operators), and on behalf of each of its Sub-Contractors.

Potential Suppliers should refer to paragraphs 8.5 to 8.10 of the Terms of Participation when completing this Conflict of Interest Declaration.

Potential Suppliers must promptly notify the Authority via the e-Sourcing Portal if any new potential Conflict of Interest arises during the Procurement or if there is any change to the information given on this form. Paragraphs 8.5 to 8.10 of the Terms of Participation shall apply to any updated information.

If you DO NOT have any Conflicts of Interest to declare, please tick this box:
