Early Market Engagement Event

Torbay Child Exploitation: A Response to Tackling Child Sexual Exploitation in Torbay

Tuesday 6th August 2024

1100am to 12pm via Teams

Aim of session:

Torbay Council invites organisations to attend an early market engagement event for the upcoming commissioning of Torbay's Child Sexual Exploitation Service. The response to exploitation in Torbay has developed significantly over recent years with a robust system of operational and strategic forums that include high quality multi-agency partnerships. The Child Sexual Exploitation Service plays an integral role within this partnership, offering bespoke interventions to children and young people aged 10 – 18 who are at risk of, or experiencing child sexual exploitation.

This event will provide the opportunity for organisations to learn more about Torbay's Council's response to exploitation and vision for the service. The event will cover the following areas for discussion:

- To provide an overview of Torbay Council's current response to exploitation including data and future aspirations for this area of work.
- To provide an overview of the service scope and specification details.
- To provide an overview of the procurement process and timeframe.

Agenda (draft):
