

**Ground floor at  
PARKE**

The ground floor plan of the building at PARKE is divided into several functional areas. On the left, the Main Entrance leads into a corridor that provides access to Room 1 (Archaeology & Historic Buildings), Room 2 (Administration and Reception), and Room 7 (Development Management and DM Admin). Room 2 is connected to Room 3 (Communications) and Room 27 (Photocopier). A central corridor with multiple stairwells links the upper and lower levels. To the right of this corridor are Room 4 (Kitchen), Gents, Ladies, and Room 5 (DM Scanning). Further right is Room 6 (Development Management and DM Admin), a Store, a Shower, a Boiler Room, and a Garage. A large Courtyard Meeting Room (Video Conferencing Suite) is located at the bottom right, adjacent to Rooms 32, 33 (Access & Rangers), 34 (Mires), 35 (Meeting Rm), 36, and 37. A separate wing on the right contains a Sports Room, a Rest Room, a Kitchen, a Shower, and several Store rooms. A Basement is also indicated near the Rest Room.

## Basement
