## **B Procurement Information**

### **B1 Background Information**

The UK Shared Prosperity Fund (UKSPF or the Fund) is a central pillar of the UK government's ambitious Levelling Up agenda and a significant component of its support for places across the UK. In total it will provide £2.6 billion of new funding for local investment by March 2025, with all areas of the UK receiving an allocation from the Fund via a funding formula rather than a competition. It will help places right across the country deliver enhanced outcomes and recognises that even the most affluent parts of the UK contain pockets of deprivation and need support.

It seizes the opportunities of leaving the European Union, by investing in domestic priorities and targeting funding where it is needed most: building pride in place, supporting high quality skills training, supporting pay, employment and productivity growth and increasing life chances. It will reduce the levels of bureaucracy and funding spent on administration when compared with EU funds. It will enable truly local decision making and better target the priorities of places within the UK. It will lead to visible, tangible improvements to the places where people work and live, alongside investment in human capital, giving communities up and down the UK more reasons to be proud of their area.

Places will be empowered to identify and build on their own strengths and needs at a local level, focused on pride in place and increasing life chances. Local places will be able to use the Fund to complement funding such as the Levelling Up Fund, and mainstream employment and skills provision to maximise impact and simplify delivery.

Further information on the aims of the fund, along with the outputs and outcomes to be delivered can be found at: [UK Shared Prosperity Fund: prospectus - GOV.UK \(www.gov.uk\)](https://www.gov.uk/government/publications/uk-shared-prosperity-fund-prospectus)

At a local level, Torbay's Investment Plan (Appendix 2) sets out how we intend to utilise UKSPF. Furthermore, UKSPF will support the delivery of Torbay's Economic Growth Strategy 2022-2030 (Appendix 1). It is therefore imperative that potential applicants consider how delivery of the lots will support Torbay's Investment Plan and the delivery of the Economic Growth Strategy.

## C4 Scoring Methodology

---

Responses will be assessed using one, some or all of the following methods:

### C4.1 Pass/Fail

Evaluation criteria assessed on a pass/fail basis are those where meeting the requirement is essential to Applicant's ability to deliver the Contract. They will usually relate to questions where a Yes or No response can be provided. The ability to meet the requirement will achieve a Pass and the Applicant will achieve a fail where they are unable to meet the requirement.

Where a Pass/Fail criteria is assessed on a scoring basis, a score of 3 or more, using the zero to five scoring matrix will be required to achieve a pass.

Where an Applicant fails one or more Pass/Fail criteria they will be deselected from participating further in the process and will be notified accordingly.

The criteria will also set out how the Applicant should evidence their ability to meet the requirement, this will be either:

- within their response to the mandatory criteria itself
- within their responses to the Award questions; and / or
- during due diligence prior to contract award.

If the Applicant does not evidence ability to meet the requirement the response will be considered to be a fail and the Applicant will be deselected from participating further in the process and will be notified accordingly.

### C4.2 Zero to Five Scoring

Evaluation criteria assessed on a scoring basis will be evaluated using the zero to five scoring system in the table below.

<b>Score 5</b>	<b>Excellent</b>	<b>Exceeds the requirement.</b> Exceptional demonstration by the Applicant of the relevant ability, understanding, experience, skills, resource & quality measures required to deliver the Contract. Response identifies factors that will offer significant added value and/or innovation, with evidence to support the response.
<b>Score 4</b>	<b>Good</b>	<b>Satisfies the requirement with minor additional benefits.</b> Above average demonstration by the Applicant of the relevant ability, understanding, experience, skills, resource & quality measures required to deliver the Contract. Response identifies factors that will offer potential added value, with evidence to support the response.
<b>Score 3</b>	<b>Acceptable</b>	<b>Satisfies the requirement.</b> Adequate demonstration by the Applicant of the relevant ability, understanding, experience, skills, resource & quality measures required to deliver the Contract, with sufficient evidence to support the response.

<b>Score 2</b>	<b>Minor Reservations</b>	<b>Minor reservations on the Applicant's ability to satisfy the requirement.</b> Some minor reservations of the Applicant's relevant ability, understanding, experience, skills, resource & quality measures required to deliver the Contract, with little or no evidence to support the response.
<b>Score 1</b>	<b>Serious Reservations</b>	<b>Major reservations on the Applicant's ability to satisfy the requirement.</b> Considerable reservations of the Applicant's relevant ability, understanding, experience, skills, resource & quality measures required to deliver the Contract, with little or no evidence to support the response.
<b>Score 0</b>	<b>Unacceptable</b>	<b>Does not meet the requirement.</b> Does not comply and/or insufficient information provided to demonstrate that the Applicant has the ability, understanding, experience, skills, resource & quality measures required to deliver the Contract, with little or no evidence to support the response.

The scoring system is based on the Applicant's ability to fully satisfy the requirement and provide sufficient evidence to support their response.

Where an Applicant's response is considered to have achieved a score of three, a further assessment will be made to determine whether the response has met the criteria required for a score of four or five to be awarded.

The Council's usual approach to evaluation of Tenders is for each Panel member to undertake an independent assessment of bids. The Panel will then come together in a Moderation Meeting, where a consensus score will be agreed.

**Please Note:** Where an Applicant's response is considered not to satisfy the requirement and/or adequately demonstrate the ability to deliver the Contract the maximum score achievable will be two, regardless of whether the Applicant exceeds the requirement in relation to some aspects of their response.

The scoring system awards the highest marks to those Applicants who, in addition to fully satisfying the requirement, demonstrate to a high level they have the relevant ability, understanding, experience, skills, resources and quality measures in place and/or offer added value or innovative solutions.

#### Scoring Example:

<b>Sub Criteria % = 15.00%</b>			
<b>Applicant</b>	<b>Assessment</b>	<b>Score Awarded</b>	<b>%Score</b>
Applicant A	Exceeds the requirement, with an exceptional demonstration of relevant ability, understanding, experience, skills, resource & quality measures required to deliver the Contract, with evidence of significant added value/innovation	5	15.00%

Applicant B	Fully satisfies the requirement, provides sufficient evidence to demonstrate their ability to deliver the contract and offers some potential added value.	4	12.00%
Applicant C	Only meets some of the requirements, provides adequate evidence to demonstrate their ability to meet those requirements satisfied within the response and offers some added value and innovation in relation to aspects of their offer.	3	9.00%
Applicant D	Only meets some of the requirements, provides adequate evidence to demonstrate their ability to meet those requirements satisfied within the response and offers some added value and innovation in relation to aspects of their offer.	2	6.00%
Applicant E	Applicant says they fully satisfy the requirement, but provides insufficient evidence to demonstrate relevant ability, understanding, experience, skills, resource & quality measures required to deliver the Contract.	2	6.00%
Applicant F	Applicant does not provide sufficient assurance that they have the relevant ability, understanding, experience, skills, resource & quality measures required to satisfy the majority of the requirements.	1	3.00%
Applicant G	Applicant does not provide sufficient assurance that they have the relevant ability, understanding, experience, skills, resource & quality measures required to satisfy any of the requirements.	0	0.00%
