Contractor’s Obligations

Clause 2.1 – the following new clauses shall be inserted:

“2.1A The Contractor shall fully carry out the works using all the reasonable skill, care, expedition and efficiency to be expected of a properly qualified and competent contractor (and to the extent that the Order includes any design to be carried out by the Contractor using all the reasonable skill, care, expedition and efficiency to be expected of a properly qualified and competent architect or other appropriate designer) who is experienced in carrying out work (and preparing designs) of a similar scope, nature and complexity and size to the Order.

- 2.1B The Contractor shall work in a proper and workmanlike manner and fully in accordance with the Contract Administrator's instructions, any instructions of the Employer, the Contract Documents and other Statutory Requirements and shall give all notices required by the Statutory Requirements.
- 2.1C To the extent that the Order contains any design, the Contractor shall be responsible for carrying out and completing the entire design for the Order.
- 2.1D The Contractor shall take due account of the terms of any agreements between the Employer and third parties as are from time to time disclosed to him and shall perform his obligations under this Contract in such a manner as not to constitute, cause or contribute to any breach by the Employer of his obligations under such agreements and shall indemnify the Employer in respect of any loss and/or damage which he incurs as a result of any breach by the Contractor of this clause where such loss and/or damage arises under such agreements.
- 2.1E The Contractor shall not use, generate, dispose of or transport to the Site any Hazardous Substances otherwise than in accordance with Environmental Laws.”

Materials, Goods and Workmanship

Clause 2.2.1 shall be deleted and replaced by the following new clause 2.2.1:

“The Contractor in carrying out each Order shall not specify or use materials which are generally known at the time of use to be deleterious to health and safety or to durability in the particular circumstances in which they are used and the Contractor shall use materials, goods and workmanship of the quality and standards specified in the Order, or if not so specified, of the quality and standard to be expected of a contractor experienced in works of a like nature to the works set out in the Order. The Contractor warrants to the Employer that he has not specified and will not specify for use nor use in carrying out each Order any substance and/or material which is not in conformity with any relevant British or European Standards or Codes of Practice or which are generally known to the UK construction industry to be deleterious to health and safety or the durability of the Works in the particular circumstances in which it is used or which is not used in accordance with the guidance contained in the publication "Good Practice in the Selection of Construction Materials" 1997) Over Arup & Partners.”

Clause 2.2.2 shall be deleted and replaced by the following new clause 2.2.2:

“Where and to the extent that the approval of the quality of materials or goods or of the standards of workmanship is a matter for the opinion of the Contract Administrator, such quality and standards shall be to his reasonable satisfaction. To the extent that the quality of materials and goods or standards of workmanship are not described in the Order nor stated to be a matter for such opinion or satisfaction, they shall be of a standard appropriate to the relevant work. For the avoidance of doubt the standards of workmanship required pursuant to this clause shall be no less than those set out in British Standard 8000 or any other standard that may be applicable.”

Rights of Employer

Clause 2.3.5 - the following words shall be deleted “and the Contractor shall be entitled to a handling charge of 5% on that value. The Adjustment Percentage shall not be applied to that charge”.

Clause 2.3.6 shall be deleted and replaced with the following new clause 2.3.6:

“Any materials and/or goods supplied by the Employer for any Order shall be at the sole discretion of the Employer”

Value of work to be carried out under this Contract

Clause 2.5 shall be deleted and replaced with the following new clause 2.5:

“The Employer is not obliged to provide the Contractor with any Orders nor does the Employer give any warranty or undertaking as to the actual amount of work that will be ordered and no variance in the actual value of work ordered shall give rise to a change in any rate, price or percentage adjustment. For the avoidance of doubt, the Employer shall not be liable for any loss of profits, loss of contracts or other costs, expenses or losses suffered or incurred by the Contractor as a result of the Contractor not being awarded any Orders under this Contract.”

Programme

Clause 2.7 shall be amended by deleting the words “Nothing in the programme or in any amendment or revision of it shall impose any obligations beyond those imposed by the Contract Documents” and replacing this with the following words:

"The Contractor Administrator shall have 7 days from receipt of the programme to approve or register its disapproval, in writing, of the programme. If the Contract Administrator fails to respond within the 7 days then it shall be deemed to have approved.

Provided the Contract Administrator has approved or deemed to have approved the programme, the Contractor shall procure that all of the works carried out in accordance with or under any Order(s) is carried out strictly in accordance with the programme.

If the Contract Administrator has stated to the Contractor that it does not approve of the programme then the Contractor shall resubmit a revised programme to the Contract Administrator for approval and this process shall be repeated until the Contract Administrator has given its written approval to the programme, whereupon the Contractor shall carry out the works within the order strictly in accordance with such approved programme.”

[continued on next page]

Divergence from Statutory Requirements

Clause 2.8.2 shall be deleted and replaced with the following new clause 2.8.2:

“Provided the Contractor has provided the written notice specified in clause 2.8.1 then it shall not be liable under this Contract if the work carried out under an Order, does not comply with the Statutory Requirements, but only to the extent that the non-compliance results from the divergence between the Statutory Requirements and either an Order or a Variation that the Contractor has previously advised the Employer of in accordance with clause 2.8.1.”

Extension of Time

Clause 2.10.1 shall be deleted and replaced with the following new clause 2.10.1:

“If, at any time during the course of completing an Order, the Contractor shall establish that the progress of the works under the Order shall have been effected by reason of:

- (i) force majeure; or
- (ii) fire, lightning, explosion, storm, tempest, flood, bursting or overflowing of water tanks, apparatus or pipes, earthquake, aircraft or other aerial devices or articles dropped from them, riot or civil commotion or any other risks insured against,

the Contract Administrator shall allow such extension of time as is fair and reasonable in the circumstances upon written application by the Contractor to the Employer and Contract Administrator provided always that such application is made immediately that the Contractor is aware that such delay has or might occur (which written application shall include any documentation the Contractor may wish to provide in support of or justifying its application and the Contractor's assessment of the extension of time it seeks). To the extent that any extension of time is granted, a revised date for completion for the Order shall be fixed by the Contract Administrator and notified to the Contractor.”

Defects

Clause 2.12 shall be renumbered 2.12.1 and amended by deleting the words “6 months” and substituting with “12 months” and adding the words “and shall commence rectification within [5] days of notification” at the end of the Clause:

Additional Clause 2.12.2:

“In the case of default, the Employer may provide labour and/or materials or enter into a contract to make good such defects and all costs and expenses consequent thereon shall be borne by the Contractor and shall be recoverable from the Contractor by the Employer either by offsetting against monies due on any contract with the Employer or by directly invoicing the Contractor.”

Assignment

The clause heading shall be amended from "Assignment" to "Assignment and Novation"

Clause 3.1 shall be deleted and replaced with the following new clause 3.1:

"The Employer may assign or otherwise transfer this Contract or the benefit hereof at any time without the consent of the Contractor. The Contractor hereby consents to the novation of this Contract by the Employer and agrees to enter into such documents as are required to effect such novation. The Contractor shall not assign, novate or otherwise transfer this Contract without the prior written consent of the Employer."

Sub-Contracting

Delete Clause 3.2 and replace with the following clauses:

"3.2.1 The Contractor shall not sub-contract any works under the Contract without the previous written consent of the Contract Administrator. Such consent shall not be unreasonably withheld or delayed and shall apply to all works except to the extent otherwise stated in that consent.

3.2.2 In the event of the Employer agreeing to any assignment under clause 3.1 or sub-contracting under clause 3.2.1, such consent shall not relieve the Contractor from any liability or obligation under this Contract and the Contractor shall be responsible for the acts, defaults and negligence of any assignee or sub-contractor, his or its agents, servants or employees."

Contractor's Representative

Clause 3.3 shall be deleted in its entirety and replaced by the following new clause 3.3:

"3.3.1 The Contractor shall appoint a competent Contractor's Representative for the proper administration of this Contract.

3.3.2 The Contractor's Representative shall have suitable and sufficient qualifications and experience to carry out this function and shall be the representative empowered to act on behalf of the Contractor for all purposes connected with the Contract.

3.3.3 The Contractor's Representative shall be the person named in the Contract Particulars or such other person nominated in writing by the Contractor from time to time to act in the name of the Contractor for the purposes of the Contract.

[continued on next page]

3.3.4 From time to time the Contractor may appoint one or more representatives to act for the Contractor generally or for specified purposes or periods. Immediately any such appointment is made or terminated, the Contractor shall give written notice thereof to the Employer and until such notice is received the Contractor shall be under no obligation to comply with any instruction issued by such representative.

3.3.5 Any Order, notice, information, instruction or other communication given to the Contractor's Representative shall be deemed to have been given to the Contractor.

Additional Clause 3.4.4:

"The Contract Administrator or their representative shall have at all times access to the Site or other places off-site where materials or equipment are being stored or prepared for the works."

Cancellation of an Order

Additional Clause 3.6.3:

"The provisions of clauses 3.6.2.1 and 3.6.2.2 do not apply where scheduled works or an Order for works is cancelled before any physical works have commenced."

Exclusion from Site

Clause 3.7 shall be amended by inserting the following sentence at the end of the clause:

"The Contractor shall then ensure that such person is immediately excluded from the Site."

Additional Employer's Rights and Remedies

Additional Clause 3.11:

"Where the Contractor's performance significantly and consistently fails to meet the required targets or Key Performance Indicators (KPI's) and the Contractor has not proposed acceptable remedial measures in respect of such failings within 28 days of being requested by the Contract Administrator in writing to do so, or the Contractor indicates that their current workload will not enable them to complete within targets, the Employer may award work to other contractors. Where works are awarded to other contractors, it will be measured and valued using fair and reasonable tendered rates. Should this incur additional costs to the Employer, the Employer reserves the right to charge the Contractor the extra-over cost plus 10% administration costs."

Progress Payment

Clause 4.3 shall be deleted and replaced with the following new clause:

“Monthly Payment

Payments shall be made on a per calendar month basis and shall include all Orders completed in the previous calendar month that have been agreed as completed by the Contract Administrator and shall form part of the Contractor’s monthly payment application in accordance with clause 4.5.1.”

Payment Application

Clause 4.5.1 shall be amended by inserting the words “Subject to clause 4.3” at the beginning of the clause.

Valuation – day work

Clause 5.4.2 shall be amended by inserting the words “and any other evidence required by the Employer.” at the end of the clause:

Derived Rates

Clause 5.5 shall be deleted and replaced by the following new clause 5.5:

“5.5.1 Where the rates or prices in the Schedule of Rates do not apply or where there is no applicable all-in labour rate in the Schedule of Hourly Rates, as the case may be, the value shall be decided by the Contract Administrator and shall be based upon such rates or prices as may fairly be deducted therefrom, rates and prices deducted from the Schedule of Rates being subject to adjustment by the Adjustment Percentage.

5.5.2 If it is not practicable or would not be fair and reasonable to apply the rates or prices in the Schedule of Rates or Schedule of Hourly Charges or to deduce rates or prices therefrom, the value shall be ascertained on a fair and reasonable basis by the Contract Administrator after consultation with the Contractor.”

Rates – Fluctuations

Clause 5.6 shall be deleted and replaced by the following new clause 5.6:

"5.6.1 The rates tendered shall be varied if agree in writing and signed by both the Employer and the Contractor. Such variations shall be limited by Consumer Price Index (“CPI”) fluctuations (see [www. statistics.gov.uk](http://www.statistics.gov.uk)) with a base date of 1 January each year and annually thereafter for the duration of the Contract Period.

5.6.2 The first applicable adjustment for rates will be effective from 1 August 2023 with adjustments limited by the average of the published CPI figures between 1 January 2022 and 31 December 2022."

Overtime

Additional Clause 5.7.4:

"Where the Contractor wishes to work outside normal working hours, he must first obtain the permission of the Contract Administrator and the person in charge of the premises. In these circumstances no additional or enhanced payments will be made."

Liability of the Contractor – personal injury or death

Clause 6.1 shall be amended by inserting the words "or of any obligation pursuant to clause 2.12," in the third line after the word "Order" and before the word "except".

Liability of the Contractor – injury or damage to property: nuisance

Clause 6.2 shall be amended by inserting the words "or of any obligation pursuant to clause 2.12" in the fourth line after the word "Order" and before the word "and".

The following words shall be inserted at the end of clause 6.2:

"The Contractor shall at all times reasonably prevent any public or private nuisance (including without limitation any such nuisance caused by noxious fumes, noisy working operations or the deposit of any materials or debris on the public highway) or other interference with the rights of any adjoining or neighbouring landowner, tenant or occupier or any statutory undertaker arising out of an Order or of any obligation pursuant to clause 2.12 and shall defend or, at the Employer's option, assist the Employer in defending any action or proceedings which may arise as a result of any breach by the Contractor of its obligations under this Contract."

Contractor's Insurance and his Liability

*Additional clause: 6.4.3

"Without limiting his other obligations under the Contract or otherwise at law, the Contractor shall maintain professional indemnity insurance of not less than [£[] million] in respect of each and every claim."

Related Definitions

Under clause 6.6, the definition of "Joint Names Policy" shall be amended by inserting the words "and any funder or other third party as the Employer may require" after the word "Contractor" and before the word "as".

[continued on next page]

Additional clause 6.15

“The Contractor shall ensure so far as is reasonably practicable the health, safety and welfare at work of his employees and shall conduct his undertakings in such a way as to ensure that persons other than his employees who may be affected by his operations are not exposed to risks to their health or safety and shall in all respects perform all his duties under the Health and Safety at Work etc. Act 1974 and all Health and Safety Regulations made thereunder.”

Collateral Warranties and Copyright

Insert new clause 7A as follows:

“Copyright Contractor Warranties in favour of others

7A1 If required by the Employer, the Contractor shall execute and deliver to the Employer deeds of collateral warranty in favour of any purchaser and/or any funder in the form agreed by the Employer and in each case such deed to be procured and provided to the Employer within 14 days of the Employer's written request to do so. If the Contractor fails to deliver any deed of warranty validly requested under this clause 7A.1 within 14 days of the Employer's request, the Employer may withhold any payment or further payment (as the case may be) which would otherwise be due to the Contractor under this Contract until such deed of warranty is delivered.”

Sub-contractor Warranties

7A2 If required by the Employer, the Contractor shall procure that all sub-consultants and sub-contractors appointed to carry out any work shall provide to the Employer a deed of collateral warranty in favour of the Employer and/or any purchaser and/or any funder in a form agreed by the Employer with such amendments as are required to account for the warrantor being either a sub-contractor or sub-consultant, and in each case such deed to be procured and provided within 14 days of the appointment of the sub-consultant or sub-contractor or of the Employer's written request as relevant together with a certified copy of the relevant completed appointment document.

Copyright Licence

7A3 The copyright in the Proprietary Material shall remain vested in the Contractor, but the Contractor grants to the Employer an irrevocable royalty-free non exclusive licence to use and to reproduce any or all of the Proprietary Material for any purpose connected with this Contract and/or any Order, including (without limitation) the execution, completion, maintenance, letting, occupation, management, sale, advertisement, extension, alteration, reinstatement and repair of any works carried out under this Contract and/or any Order.”

Default by Contractor

Additional Clause 8.4.1.3:

“fails to comply with any of his obligations including all of the Contractor’s obligations contained within the Council’s Tender Documents and/or the Contractor’s priced Schedule of Rates in respect of this Contract.”

Insert new clauses 8.4.2.1 and 8.4.2.2 as follows:

“8.4.2.1 Where the Contractor receives notice under clause 8.4.1 that it has failed to perform the works in accordance with the Contract Documents, the Employer may, without prejudice to any other remedy it may have:

- (i) request from the Contractor that, at the Contractor's own expense and as specified by the Employer, it reschedules and carries out the works in a manner satisfactory to the Employer, which may include rectifying completed works or repeating the provision of any of the works within such period as the Employer may specify by such written notice; and/or
- (ii) withhold or reduce payments to the Contractor, as the Employer shall reasonably deem appropriate in each particular case; and/or
- (iii) request that the Contractor pay or allow to the Employer liquidated damages at the rate stated in the Contract Particulars between the specified date for completion and the actual date of completion; and/or
- (iv) employ a third party to carry out and complete the works.

8.4.2.2 Any expenses incurred which are in addition to the cost of the relevant part of the works arising as consequence of suspension of the works or procuring a third party to carry out the works, shall be recovered in full from the Contractor, including any administrative costs reasonably incurred by the Employer.”

Renumber existing clauses 8.4.2 and 8.4.3 as 8.4.3 and 8.4.4 respectively.

Prevention of Bribery and Corruption

Insert new Section 10 to the JCT Conditions of Contract as follows:

“10.1 The Contractor warrants and undertakes to the Employer that:

10.1.1 it will comply with applicable laws, regulations, codes and sanctions relating to anti-bribery and anti-corruption including but not limited to the Bribery Act 2010 and will not give any fee or reward the receipt of which is an offence under sub-section (2) of Section 117 of the Local Government Act 1972;

10.1.2 it will procure that any person who performs or has performed services for or in its behalf (“Associated Person”) in connection with this Contract complies with this clause and subject to the JCT Form of Contract to be used;

10.1.3 it will not enter into any agreement with any Associated Person in connection with this Contract, unless such agreement contains undertakings on the same terms as contained in this clause and subject to the JCT Form of Contract to be used;

10.1.4 it has and will maintain in place effective accounting procedures and internal controls necessary to record all expenditure in connection with the Contract;

10.1.5 from time to time at the reasonable request of the Employer it will confirm in writing that it has complied with its undertakings under clauses 10.1.1 to 10.1.4 and will provide any information reasonably requested by the Employer in support of such compliance;

10.1.6 it shall notify the Employer as soon as practicable of any breach of any of the undertakings contained within this clause of which it becomes aware.

10.2 Where the Contractor or Contractor's employees, servants, sub-contractors, suppliers or agents or anyone acting on the Contractor's behalf, engages in conduct prohibited by the Bribery Act 2010 or the Local Government Act 1972 section 117(2) in relation to this or any other contract with the Employer, the Employer has the right to;

a) terminate the Contract and recover from the Contractor the amount of any loss suffered by the Employer resulting from the termination, including the cost reasonably incurred by the Employer of making other arrangements for the provision of the works and any additional expenditure incurred by the Employer throughout the remainder of the Contract.

b) recover in full from the Contractor any other loss sustained by the Employer in consequence of any breach of this clause, whether or not the Contract has been terminated.”

Freedom of Information

Insert new Section 11 to the JCT Conditions of Contract as follows:

- "11.1 The Employer is subject to the Freedom of Information Act 2000 and the Environmental Information Regulations 2004 ("the Acts"). As part of the Employer's duties under the Acts, it may be required to disclose information forming part of the Contract to anyone who makes a request. The Employer has absolute discretion to apply or not to apply any exemptions under the Acts.
- 11.2 The Contractor shall assist and co-operate with the Employer (at the Contractor's expense) to enable the Employer to comply with the information disclosure requirements under the Acts and in so doing will comply with any timescale notified to it by the Employer.
- 11.3 The Contractor acknowledges that the Employer is committed to the Government's transparency agenda requiring the Employer to publish on line items of spend over £500 (five hundred pounds) including actual payments made to the Contractor, the Contractor's tender and the terms of this Contract (excluding commercially sensitive information).
- 11.4 The Contractor acknowledges that the Employer may, acting in accordance with the Secretary of State for Constitutional Affairs Code of Practice on the discharge of public authorities functions under Part 1 of FOIA (issued under section 45 of the FOIA, November 2004) be obliged under the FOIA or the Environmental Information Regulations to disclose information;
- a) without consulting with the Contractor, or
 - b) following consultation with the Contractor and having taken its views into account."

Data Protection

Insert new Section 12 to the JCT Conditions of Contract as follows:

- "12.1 The Parties acknowledge that for the purposes of the Data Protection Legislation, the Authority is a Controller and the Supplier is the Processor unless otherwise specified in Schedule Processing Personal Data). The only processing that the Processor is authorised to do is listed in Schedule Processing Personal Data and may not be otherwise be determined by the Processor.
- 12.2 The Processor shall notify the Controller immediately if it considers that any of the Controller's instructions infringe the Data Protection Legislation.

- 12.3 The Processor shall provide all reasonable assistance to the Controller in the preparation of any Data Protection Impact Assessment prior to commencing any processing. Such assistance may, at the discretion of the Controller, include:
- a) a systematic description of the envisaged processing operations and the purpose of the processing;
 - b) an assessment of the necessity and proportionality of the processing operations in relation to the Services;
 - c) an assessment of the risks to the rights and freedoms of Data Subjects; and
 - d) the measures envisaged to address the risks, including safeguards, security measures and mechanisms to ensure the protection of Personal Data.
- 12.4 The Processor shall, in relation to any Personal Data processed in connection with its obligations under this Agreement:
- a) process that Personal Data only in accordance with Schedule Processing Personal Data, unless the Processor is required to do otherwise by Law. If it is so required the Processor shall promptly notify the Controller before processing the Personal Data unless prohibited by Law;
 - b) ensure that it has in place Protective Measures which have been reviewed and approved by the Controller as appropriate to protect against a Data Loss Event having taken account of the:
 - (i) nature of the data to be protected;
 - (ii) harm that might result from a Data Loss Event;
 - (iii) state of technological development; and
 - (iv) cost of implementing any measures;
 - c) ensure that :
 - (i) the Processor Personnel do not process Personal Data except in accordance with this Agreement (and in particular Schedule Processing Personal Data);
 - (ii) it takes all reasonable steps to ensure the reliability and integrity of any Processor Personnel who have access to the Personal Data and ensure that they:
 - (A) are aware of and comply with the Processor's duties under this Clause;
 - (B) are subject to appropriate confidentiality undertakings with the Processor or any Sub-processor;

- (C) are informed of the confidential nature of the Personal Data and do not publish, disclose or divulge any of the Personal Data to any third Party unless directed in writing to do so by the Controller or as otherwise permitted by this Agreement; and
 - (D) have undergone adequate training in the use, care, protection and handling of Personal Data;
- d) not transfer Personal Data outside of the EU unless the prior written consent of the Controller has been obtained and the following conditions are fulfilled:
 - (i) the Controller or the Processor has provided appropriate safeguards in relation to the transfer (whether in accordance with GDPR Article 46 or LED Article 37) as determined by the Controller;
 - (ii) the Data Subject has enforceable rights and effective legal remedies;
 - (iii) the Processor complies with its obligations under the Data Protection Legislation by providing an adequate level of protection to any Personal Data that is transferred (or, if it is not so bound, uses its best endeavors to assist the Controller in meeting its obligations); and
 - (iv) the Processor complies with any reasonable instructions notified to it in advance by the Controller with respect to the processing of the Personal Data;
- e) at the written direction of the Controller, delete or return Personal Data (and any copies of it) to the Controller on termination of the Agreement unless the Processor is required by Law to retain the Personal Data.

12.5 Subject to Clause 12.7, the Processor shall notify the Controller immediately if it:

- a) receives a Data Subject Access Request (or purported Data Subject Access Request);
- b) receives a request to rectify, block or erase any Personal Data;
- c) receives any other request, complaint or communication relating to either Party's obligations under the Data Protection Legislation;
- d) receives any communication from the Information Commissioner or any other regulatory authority in connection with Personal Data processed under this Agreement;
- e) receives a request from any third Party for disclosure of Personal Data where compliance with such request is required or purported to be required by Law; or
- f) becomes aware of a Data Loss Event.

- 12.6 The Processor's obligation to notify under Clause 12.5 shall include the provision of further information to the Controller in phases, as details become available.
- 12.7 Taking into account the nature of the processing, the Processor shall provide the Controller with full assistance in relation to either Party's obligations under Data Protection Legislation and any complaint, communication or request made under Clause 12.5 (and insofar as possible within the timescales reasonably required by the Controller) including by promptly providing:
- a) the Controller with full details and copies of the complaint, communication or request;
 - b) such assistance as is reasonably requested by the Controller to enable the Controller to comply with a Data Subject Access Request within the relevant timescales set out in the Data Protection Legislation;
 - c) the Controller, at its request, with any Personal Data it holds in relation to a Data Subject;
 - d) assistance as requested by the Controller following any Data Loss Event;
 - e) assistance as requested by the Controller with respect to any request from the Information Commissioner's Office, or any consultation by the Controller with the Information Commissioner's Office.
- 12.8 The Processor shall maintain complete and accurate records and information to demonstrate its compliance with this Clause. This requirement does not apply where the Processor employs fewer than 250 staff, unless:
- a) the Controller determines that the processing is not occasional;
 - b) the Controller determines the processing includes special categories of data as referred to in Article 9(1) of the GDPR or Personal Data relating to criminal convictions and offences referred to in Article 10 of the GDPR; and
 - c) the Controller determines that the processing is likely to result in a risk to the rights and freedoms of Data Subjects.
- 12.9 The Processor shall allow for audits of its Data Processing activity by the Controller or the Controller's designated auditor.
- 12.10 The Parties shall designate a Data Protection Officer if required by the Data Protection Legislation.
- 12.11 Before allowing any Sub-processor to process any Personal Data related to this Agreement, the Processor must:
- a) notify the Controller in writing of the intended Sub-processor and processing;
 - b) obtain the written consent of the Controller;

- c) enter into a written agreement with the Sub-processor which give effect to the terms set out in this Clause 12.11 such that they apply to the Sub-processor; and
- d) provide the Controller with such information regarding the Sub-processor as the Controller may reasonably require.

12.12 The Processor shall remain fully liable for all acts or omissions of any Sub-processor.

12.13 The Authority may, at any time on not less than 30 Working Days' notice, revise this Clause by replacing it with any applicable controller to processor standard clauses or similar terms forming part of an applicable certification scheme (which shall apply when incorporated by attachment to this Agreement).

12.14 The Parties agree to take account of any guidance issued by the Information Commissioner's Office. The Authority may on not less than 30 Working Days' notice to the Supplier amend this Agreement to ensure that it complies with any guidance issued by the Information Commissioner's Office."

Equal Opportunities, Unlawful Discrimination and Human Rights

Insert new Section 13 to the JCT Conditions of Contract as follows:

"13.1 The Contractor shall comply with all applicable equalities, inclusion, and diversity legislation, which shall include any law, statute, bye-law, regulation, order, regulatory policy, guidance or code of practice, rule of court or directives or requirements of any regulatory body, delegated or subordinate legislation or notice of any regulatory body ("the Equalities Provisions") now in force or which may be in force in the future and with the Employer's equality and diversity policies as may be amended from time to time, copies of which will be provided by the Employer to the Contractor at the Contractor's written request.

13.2 For the avoidance of doubt, the term "Contractor" in this clause 13 shall include the Contractor's employees, agents, representatives and sub-contractors employed in the execution of the Contract.

13.3 The Contractor will provide to the Employer such information as the Employer may reasonably request in respect of the impact of equality issues on the operation of the Contract.

13.4 If a complaint is made about the acts or omissions of the Contractor in relation to the Equality Provisions, the Contractor may be the subject of an investigation by the Employer. During the course of such an investigation the Contractor shall make all documents the Employer considers to be relevant to the investigation available and co-operate with the investigation.

[clause 13.4 continued on next page]

If any breach of the Employer's duties under the Equalities Provisions is found to have occurred due to the acts or omissions of the Contractor, the Contractor shall indemnify the Employer in respect of any loss, damage and/or compensation, fines and costs (including but not limited to legal costs and expenses) which may be suffered by or imposed on the Employer by any court, tribunal or ombudsman.

- 13.5 If requested to do so by the Employer the Contractor shall co-operate with the Employer at the Contractor's expense in connection with any legal proceedings, ombudsman enquiries, arbitration or Court proceedings in which the Employer may become involved arising from any breach of the Employer's duties under the Equalities Provisions due to the alleged acts or omissions of the Contractor.
- 13.6 The Contractor shall carry out the works in a manner which is consistent with the Human Rights Act 1998 as though (for the avoidance of doubt) it is bound by the Act and in such a way that the Employer shall not be liable to any person for a breach of its duties under the said Act and shall indemnify the Employer against any direct or indirect costs expenses damages compensation liabilities or other claims incurred or suffered by the Employer arising from or in relation to a breach or alleged breach of the said Act.
- 13.7 Failure by the Contractor to comply with the provisions of this clause 13 may lead to the termination of this Contract."

Contractor's Persons

Insert new Section 14 to the JCT Conditions of Contract as follows:

- "14.1 The Contractor shall comply with all relevant legislation relating to the Contractor's Persons however employed including (but not limited to) the compliance in law of the ability of the Contractor's Persons to work in the United Kingdom.
- 14.2 The Contractor shall employ sufficient persons to ensure that the works are carried out in accordance with the Contract. The Contractor's Persons engaged in and about the provision of the works shall be properly and sufficiently qualified, competent, skilled and experienced and the Contractor shall ensure that such Persons are properly and continuously trained, sufficiently instructed and adequately supervised with regard to the provision of the works generally and in particular:
- (i) the task or tasks such Persons have to perform;
 - (ii) all relevant rules, procedures and statutory requirements concerning health and safety, including the Employer's health and safety policy;
 - (iii) all other statutory requirements in connection with the Contract

and the Contractor shall indemnify the Employer against all actions, claims, demands, proceedings, damages, costs, charges and expenses whatsoever in respect of any breach by the Contractor of this clause 14.

- 14.3 The Employer shall be entitled to require the Contractor to remove from the performance and carrying out of the works any of the Contractor's Persons whose behaviour is in the opinion of the Employer negligent, (should it become aware) disruptive, disturbing or likely to cause offence to the Employer or its employees and where the Employer has received a valid complaint.
- 14.4 The Employer shall in no circumstances be liable either to the Contractor or to any Persons (including its sub-contractors) removed pursuant to clause 14.3 in respect of any cost, expense, liability, loss or damage occasioned by such removal and the Contractor shall fully indemnify the Employer in respect of any claim or proceedings made or brought against the Employer by such Contractor's Persons."

Safeguarding

Insert new Section 15 to the JCT Conditions of Contract as follows:

- "15.1 The Contractor shall make arrangements during the provision of any works under this Contract to ensure that the Contractor and the Contractor's Persons comply, in all respects, with all relevant legislation and Employer policy in relation to the safeguarding of children and vulnerable adults, which may include enhanced disclosure checking of the Contractor's Persons, undertaken through the Disclosure and Barring Service ("DBS") and a check against the adults barred list or the children's barred list as appropriate
- 15.2 The Contractor shall monitor the level and validity of the checks for each of the Contractor's Persons.
- 15.3 The Contractor warrants that at all times for the purposes of this Contract, it has no reason to believe that any person who is or will be employed or engaged by the Contractor in the provision of the works is barred from the activity in accordance with the provisions of the Safeguarding Vulnerable Groups Act 2006 and any regulations made thereunder, as amended from time to time."

Insert new Section 16 to the JCT Conditions of Contract as follows:

16. The Contractor irrevocably undertakes to indemnify the Employer against any costs, expenses, damages, liabilities, losses, claims and/or proceedings which the Employer may incur in respect of death or personal injury to any person whomsoever and damage to property arising as a consequence of the performance of the Works. The Parties agree that the contraction of any industrial disease as a result of exposure to dangerous materials during the course of the work within this Contract will be deemed to be covered by this condition.

Additional Employer's Requirements

Insert new Section 17 to the JCT Conditions of Contract as follows:

“17.1 In the event of any inconsistencies or any ambiguity between the Articles of Agreement, Conditions and this Schedule of Amendments, the Parties agree that the Schedule of Amendments shall take precedence over the Articles of Agreement and Conditions whilst the Articles of Agreement shall take precedent over the Conditions.

17.2 The Contractor shall ensure that it has policies or codes of conduct in relation to:

- equality and diversity policies
- sustainability
- information security rules
- whistleblowing and/or confidential reporting policies.

17.3 The Contractor shall keep and maintain until 6 years after the Contract has been completed, or as long a period as may be agreed between the Parties, full and accurate records of the agreement including:

- (a) the works provided under it;
- (b) all expenditure reimbursed by the Employer;
- (c) all payments made by the Employer.

The Contractor shall on request afford the Employer or the Employer's representatives with such access to those records as may be required in connection with this Contract.

17.4 The Contractor shall co-operate fully with any enquiry or investigation made by the Employer's internal or external auditors, or any other quality or performance inspectors, that in any way concerns this Contract or any sums claimed or charged in relation to this Contract. The Employer may use information given by the Contractor in connection with this Contract to prevent and detect fraud and money-laundering; it may also share this information, for the same purpose, with other organizations that handle public funds. The Contractor shall take all necessary action to prevent money laundering. Where the Employer deems that the Contractor has been involved in money laundering it will take whatever measures appropriate to prevent this and report such action to the relevant authorities. The discovery of fraud and/or money laundering shall be grounds for termination of the Contractor's employment.

17.5 The Contractor shall comply with any Employer policies affecting the Contract and shall if requested provide the Employer with any relevant information required in connection with any legal inquiry, arbitration or court proceedings in which the Employer may become involved or any relevant disciplinary hearing internal to the Employer and shall give evidence in such inquiries or proceedings or hearings arising out of the Contract.

[clause 17.5 continued on next page]

The Contractor shall co-operate fully with the Commissioner for Local Administration in England (the Local Government Ombudsman) in any investigation by him of any complaint relating to the Contract and in enquiries by any of the Employer's Committees. From time to time, the Employer may require the Contractor to provide reports to, or be involved in discussions with, elected members. The Contractor shall comply with the Employer's reasonable requirements and shall not be entitled to any additional payment in respect thereof save to the extent such costs are incurred as a result of a default on the part of the Employer.

- 17.6 The Contractor shall, upon becoming aware of anything in connection with the Contract that is likely to give rise to legal inquiry or litigation, forthwith notify the Contract Administrator, giving such details as are available.
- 17.7 The Contractor shall deal with any complaints about its performance of the Contract, received from whatever source, in a prompt, courteous and efficient manner. The Contractor shall set up an internal process for dealing with complaints and shall keep a written record of all complaints received and of the action taken in relation to such complaints. The Contractor shall inform the Contract Administrator in writing of all complaints received and of all steps taken, and shall permit its record of complaints to be inspected by the Contract Administrator (or any other person nominated by him) at all reasonable times on reasonable notice.
- 17.8 The Contractor shall not speak to the press or broadcasting media about any matters connected with the Contract without the prior written consent of the Contract Administrator. If the Contractor intends to advertise its provision of the works to the Employer, it shall obtain approval of the Employer before doing so as to the content of such advertisement.
- 17.9 The Contractor should note that it is of the utmost importance that their employees and sub contract employees carry with them at all times their company's identification card to produce when challenged by the Employer's staff or council residents.
- 17.10 Where under the Contract any sum of money shall be recoverable from or payable by the Contractor, the same may be deducted from any sum item due or which at any time thereafter may become due to the Contractor under the Contract or under any other similar construction contract with the Employer.
- 17.11 The Contractor shall be deemed to have obtained information on all matters affecting the execution of the works. No claim arising from errors or omissions will be considered.
- 17.12 The Contractor shall comply with all Standing Orders of the Employer in so far as they are applicable to the execution of the Works. It is the responsibility of the Contractor to determine the nature and extent of such Standing Orders for lack of knowledge will not constitute grounds for non-compliance. A copy will be available for inspection on request.

17.13 The Contractor shall comply with all statutory requirements to be observed and performed in connection with the Contract and shall indemnify the Employer against all actions, claims, demands, proceedings, damages, costs, charges and expenses whatsoever in respect of any breach by the Contractor of this clause.

Bonds and Guarantees

Insert new Section 18 to the JCT Conditions of Contract as follows:

- “18.1 At the exclusive discretion of the Employer, when the Contractor is a subsidiary of another company it shall procure that its ultimate holding company (or, at the Employer’s complete discretion, such other company within the Contractor’s group as the Employer shall require) shall provide a parent company guarantee in favour of the Employer in respect of the Contractor’s obligations under the Contract executed as a deed. The guarantee must be in place before the Contract commences.
- 18.2 At the exclusive discretion of the Employer, where the Contractor does not have a parent company or where the parent company is not approved by the Employer, the Contractor shall enter into a contract guarantee bond, by which they shall be jointly and severally bound to the Employer in a sum equivalent to 10% of the annual contract value conditioned for the due fulfilment of the terms and conditions of the Contract. The surety shall be either an insurance company or bank whose registered office is situated in England. The bondsman is to be approved by the Employer. The bond must be in place before the Contract commences.”

1 OVERVIEW

1.1 The Work

The Contractor is to visit and undertake Electrical Condition Inspection Reports (ECIR) to residential properties owned by Folkestone & Hythe District Council. All the properties are within the Council boundary.

The number of assets to be inspected and which required ECIRs is approximately 3,400 over a 5-year period but due to renewals, disposals and voids this number will vary.

The successful contractor will be required to liaise directly with the tenants and to arrange for access.

2 GENERAL REQUIREMENTS

2.1 Electrical Systems

The installations covered by this contract include electrical supplies and services serving the following:

Residential Units

- Electrical distribution systems 230V AC.
- Electric heating and hot water supplies.
- Electric showers
- Domestic stair lifts
- Interior and exterior lighting
- Services to and within outbuildings and sheds
- Services to and within gardens, patios and water features.

The lists above are indicative of the anticipated installations but may not include every installation or circumstance. The Contractor is deemed to have priced for the Inspection & Testing of the entire electrical installation within each property or asset.

[2.2 continued on next page]

2.2 The Properties

The scope of property to be inspected and tested includes:

Houses

1, 2, 3, 4 & 5 Bedroom Houses, terraced, semi-detached and detached in a range of styles and ages.

Flats & Apartments

Including Independent Living Accommodation for Vulnerable People

Bedsit, 1, 2, 3 & 4 bedroom self-contained accommodation. Purpose built and conversion in a range of styles and ages.

Maisonettes

1, 2 & 3 bedroom maisonettes. In a range of styles and ages.

Bungalows

1, 2, & 3 bedroom bungalows. In a range of styles and ages.

2.3 Scope of Service

The Contractors tender except for where stated, is deemed to be fully inclusive of all costs required to undertake the contract including but not limited to the following:

- Labour and all costs in connection with providing the service, including travel and other non-productive time
- Supply of materials and goods, storage and all associated costs, including waste and delivery to site
- All temporary works and reinstatements.
- All Charges, overheads and profit
- Supervision, transport and other management costs
- The temporary disconnection and protection of any supply including repositioning to maintain services as required and pay all costs and charges.
- The removal and proper reinstatement of furnishings and fittings, including [but not exclusively] floorboards, duct covers, access panels, loft access hatches to provide access to items to be inspected and or tested.
- The administration of access to each of the properties including making access arrangements as provided for hereunder.

- Reporting on an at least weekly basis as to progress of works and access.
- The provision of data collection devices and software to all site operatives to facilitate data collection and transmission in a timely and consistent form.
- Making good any damage, including decorative damage arising as a result of performing the works.

2.4 Arrangements for Access

The Contractor will be responsible for all access arrangements.

The Contract Administrator shall provide an asset register detailing names and contact details for each property as required. The Contractor shall write no later than four weeks before the intended date of inspection advising the time and date that access shall be required and providing an email address, web form or postage paid return card for the tenant to confirm the appointment.

If confirmation remains outstanding two weeks before the intended date of inspection the Contractor shall write again in similar terms making a hand delivery, keeping a record of such visits.

If confirmation has not been received three days before the intended date of inspection a personal visit shall be made. The Contractor shall keep a record of all such visits.

In the event that no access can be arranged the Contractor shall notify the employer within the seven day period following the intended date of access and provide copies of correspondence and records of visit. The council do not anticipate further visit unless agreed by the contract administrator.

The Contractors tender shall include for all access correspondence and engagement with tenants.

No payment will be made to the Contractor for abortive (no access) calls.

2.5 Access

The Contractor, having notified the tenant of a date and time of attendance shall endeavour to attend within thirty minutes of the agreed appointment. In the event of a “no access” call the Contractor shall keep a record and leave a card at the premises. The Contractor shall make one further set of arrangements for access prior to notifying employer access was prevented. For tender purposes the Contractor shall assume that 20% of agreed appointments will not be kept.

No payment will be made to the Contractor for abortive (no access) calls.

2.6 **GDPR**

The Contractor shall comply at all times with GDPR legislation and shall in particular:

- process all personal data fairly and lawfully
- process personal data only for the purpose of arranging access
- not keep personal data for longer than is necessary – we would expect this to be no greater than fourteen days after the date of inspection
- keep all personal data secure
- ensure that personal data is not transferred to third parties
- notify the Contract Administrator of the relevant Data Protection Officer
- Comply with the GDPR policy of Folkestone & Hythe District Council
- Identify on all reports, certificates and communications the property by address only.

See Appendix F – Processing Personal Data Schedule.

2.7 **Co-Operation with Other Partners and Contractors**

The Contractor appointed is expected to co-operate fully with other Contractors appointed by Folkestone & Hythe District Council who may be undertaking concurrent works. When necessary, the Contractor should liaise with other parties and co-ordinate works so as to ensure limited disturbance and disruption for the Service Users, no additional charge will be accepted for this provision.

2.8 **Regulations, British Standards & Approved Codes of Practice**

The Contractor is expected to make sufficient allowance within its tender and service provision for the strict compliance and effective management of the following:

- The Health and Safety at Work etc. Act 1974
- The Management of Health and Safety at Work Regulations 1999
- Workplace (Health, Safety and Welfare) Regulations 1992
- Construction Design and Management Regulations 2015 (when applicable)
- Requirement for Electrical Installations – BS 7671:2018
- IET Guidance Note 3 (Inspection and Testing)
- Code of Practice for In-Service Inspection & Testing of Electrical Equipment: 5th Edition

- Electrical test equipment for use on low voltage electrical systems (Guidance Note GS38 – Fourth Edition)
- Control of Substances Hazardous to Health Regulations 2002
- Equalities Act 2015
- Data Protection Act 2018
- The Control of Asbestos Regulations 2012
- General Data Protection Regulation 2018

The above list is not exhaustive, any Legislation, Regulation, Approved Code of Practice(s) or Statutory responsibility including any subsequent amendments that is or could be construed as relevant to the scope of this contract is deemed to be a required standard and therefore the Contractor is expected to make sufficient provision.

2.9 Workmanship and Materials

All workmanship and materials that may be required are to be the best of their respective kinds and in accordance with current British Standard or Code of Practice as applicable, whether specifically noted or not, this shall be taken to denote the minimum acceptable standard of material or workmanship.

It is a requirement that all work shall be carried out in accordance with the best possible building and installation practice and methods.

Manufactured items shall unless specified to the contrary mean manufacturer's standard products and installed/maintained in accordance with the manufacturer's instructions.

2.10 British Standards

All products, equipment, materials that may be required must comply with and installed/maintained in accordance with the current relevant British Standard or Code of Practice. Products, equipment, materials may be substituted with the written confirmation of the Contract Administrator by a product complying with a grade or category within a European Community Standard or other international standard recognised in the UK specifying equivalent requirements and assurances in respect of material, safety, reliability, fitness for purpose and, where relevant, appearance.

2.11 Electrical Works

All electrical works are to comply with the requirements of the IEE Regulations for Electrical Installations (18th edition) BS7671:2018 and all relevant British Standard and European Standard Code of Practice.

2.12 Asbestos

The Contractor shall take all necessary precautions to ensure their works and operations are fully compliant with The Control of Asbestos Regulations (CAR) 2012.

All operatives employed by the Contractor or its sub-contractor(s) must have attended Asbestos Awareness training and had refresher training within the twelve month period prior to the commencement of the Contract.

The Contract Administrator will provide access to the asbestos register prior to commencement of the contract (Online Portal). If the successful Contractor suspect's asbestos products (ACM) exist then the Contractor must cease works immediately and inform the Contract Administrator. A copy of Folkestone and Hythe District Council's Asbestos Policy and Procedure (copy can be provided on request). The asbestos register must be consulted prior to the commencement of any works.

2.13 Complaints

Contractors are required to comply with the F&HDC Complaints Policies and Procedures, copy can be provided on request.

2.14 Contract Management

The Contractor is to ensure that the appropriate management team is in place at all times to ensure the works are delivered efficiently and to the required standard.

The management provision will include but is not limited to attendance at meetings and workshops, potentially with other service providers, for the purposes of: Contractor liaison, value engineering, process mapping, performance review, progress review, planning and Service User communication.

2.15 Contract Supervision

The Contractor shall provide full and adequate supervision during the progress of the contract and shall keep a competent and qualified supervisor(s), approved by F&HDC, (whose approval may be withdrawn at any time). The Contract Administrators preference is for contract supervisors to be consistent for the duration of the contract.

The supervisor(s) must be able to receive and act upon (on behalf of the Contractor) all instructions, directions or orders issued by the Contract Administrator.

All supervisors and operatives shall be contactable by telephone.

2.16 Operatives

The Contractor shall only employ competent persons for the works who hold a nationally recognised or accredited trade qualification. Prior to the commencement and to be maintained during the term of the contract, the Contractor shall provide a schedule of all staff who may be engaged on the contract.

This schedule will include:

- Name of each member of staff
- Details of any relevant training or qualification for each member of staff
- Proof of Disclosure and Barring Services (DBS) for staff interacting with Service Users

The Contractor's operatives, including sub-contractors, shall wear smart and appropriate clothing/overalls for the works at all times, including personal protective equipment as necessary. All operatives shall have a photo ID badge from the employer to be worn at all times.

EKH shall reserve the right to exclude any member of the Contractors staff from working on/in its property on the grounds of unqualified to maintain equipment or other reason which must be agreed with the Contractor.

Whenever additional members of staff are assigned to work, their details shall be provided by the Contractor to the Contract Administrator before they perform any work.

Operatives must undertake a Risk Assessment on all works to be undertaken to ensure the health, safety and welfare of all parties.

2.17 Sub-Contractors

The Contractor shall not without the consent in writing from the contract administrator / responsible person sub-let as a piece or task work, or otherwise, or make a sub-contract for the execution of the works or any part thereof except for the supply of materials and the Contractor shall not, without like sanction, assign this contract or any part thereof.

The Council may require the successful supplier to provide a Parent Company Guarantee (PCG) and /or Collateral Warranty, using the templates in Appendix G & I.

2.18 Disclosure & Barring Service Checks

The Disclosure and Barring Service (DBS) helps employers make safer recruitment decisions and prevent unsuitable people from working with vulnerable groups, including children. The Contractor shall ensure that all

employees who carry out Regulated Activities (as defined in the Protection of Freedoms Act 2012) for or on behalf of Folkestone & Hythe District Council, or in connection with the Contract, have a current DBS certificate and are/will be made available to the Contract Administrator, if so requested.

2.19 Identification

The Contractor will supply to all working personnel including sub-contractors employed to deliver services on-site a form of identification card approved by F&HDC which will contain the following details:-

- Photograph of operative
- Operative's name
- Contractors name, logo, address and telephone number
- Expiry date of card
- Unique Reference Number

All working personnel including sub-contractors are to present their ID card to Tenants on each and every visit to a property or on request.

All the operatives employed by the Contractor or sub-contractors shall at all times wear clean overalls, clearly and permanently bearing the Contractors logo, name, address and telephone number on them.

2.20 Working in Occupied Premises

Where work is to be carried out in occupied premises the work is to be carried out in a manner that will cause the minimum inconvenience and nuisance from obstruction, dust, noise etc. All necessary precautions must be taken to ensure the safety of the occupier(s).

The Contractor should be aware that properties may be occupied by frail or ill tenants or other vulnerable persons and should therefore take due care and consideration in the execution of the works and allow for any extra costs.

2.21 Protecting and Repositioning of Furniture

All furniture, fittings, apparatus, carpets and the like shall be carefully moved and reinstated by the Contractor as necessary to enable the execution of the works.

The Contractor shall properly cover such furniture, fittings, apparatus, carpets and the like with spot cloths, dust sheets and protect them from dirt and splashes and at completion of the works, replace and refit all such furniture, fittings, apparatus, carpets or the like in their original positions, to the tenants' satisfaction.

Any claims for damage to any tenants' property are to be settled directly between the tenant(s) and the Contractor in the first instance and reported to the Contract Administrator for reference only. Should the matters not be reconciled between the tenant and Contractor, the tenants should be directed to the Contractors complaints procedure. The Contractor is required to provide full details to F&HDC for monitoring and review.

2.22 Working Hours

The Contractor is to liaise directly with each tenant, it is expected that in order to accommodate the needs of tenants that working hours shall be between 08:00 hours and 18:00 hours, Monday to Saturday inclusive. The Contractor, however, will be expected to accommodate the minority of Service Users that may not be available during these times at no extra cost.

2.23 Access Arrangements – Common Parts & Elements

Access arrangements must be discussed and agreed with the Contract Administrator, the Contractor shall be responsible for making arrangements directly with the responsible officers to gain access.

Contact details for responsible officers will be provided by the Contract Administrator as and when necessary and will include the name, address and telephone number.

The Contractor is to ensure that Contractor's operatives follow each premises local procedure for signing in and out of buildings. Such procedures are essential for the safety and security of the residents and all personnel in the event of fire or other emergency, in order to establish who might be trapped in a building. Where no such procedure exists, the Contractor is to establish his own procedure to ensure the safety of the Contractor's employees.

2.24 Parking Restrictions

It is brought to the Contractor's attention that restricted parking operates within the contract area. Any costs, fines or penalties imposed on the Contractor whilst carrying out duties required under this Contract shall be borne by the Contractor.

2.25 Performance Monitoring

A reporting system for the Contractor to report to F&HDC items relating to responsive maintenance and a testing programme is required as a key deliverable. The KPI's are detailed in Appendix B.

This reporting mechanism shall take a two part form

- a. A spreadsheet as per Appendix C – F&HDC Property Lists, this will allow for uploading into F&HDC Asset Management System – this is to be

updated on a weekly basis and submitted to F&HDC by close of business each Monday.

- b. The successful Contractor will also be required to report on the following for each monthly review meeting. Reporting shall be current and made available electronically by a minimum of 48 hours prior to all progress meetings;
- Properties contacted for access – **KPI** (Appendix B)
 - Properties where no reply has been received
 - Properties attended in the period - **KPI** (Appendix B)
 - Properties where no access was gained
 - ECIR certificates completed - **KPI** (Appendix B)
 - ECIR certificates provided - **KPI** (Appendix B)
 - Proposed visits for the forthcoming period
 - Proportion of contract complete - **KPI** (Appendix B)

2.26 Quality Control

The Contractor is required to establish and implement a robust and well defined Quality Management System for all elements of works and or services. These systems will require the implementation of standard forms and procedures that the Contractor shall allow audit and inspection by F&HDC with the aim of ensuring their use throughout the term of the Contract.

In addition to complying with the above, the Contractor will also be required to provide a consistently high quality of service through the use of high quality standards for its management processes including accreditation to recognised Quality Management Systems and Investors in People, etc.

2.27 Meetings

The Contractor will be expected to attend monthly project progress meetings chaired by the Contract Administrator and any further meetings he/she shall deem necessary for the successful running of the Contract. The Contract Administrator shall call interim site progress meetings as may be necessary for the efficient running of the contract to which the Contractor shall provide a representative.

The Contractor shall attend all such meetings and he is to inform any nominated or other Specialists when their presence is required. The Contract Administrator will be responsible for the production and circulation of Minutes of Meetings. All costs arising are deemed to be included in the Contractors tender.

3 WORKS REQUIRED

3.1 General

The Contract is for the inspection and testing of individual dwellings, and in multiple occupancy buildings the common parts thereof to produce an Electrical Condition Inspection Report.

The Contractor will provide electronic reports and certificates using a hand-held data collection device based on model forms directly identifying the condition of the electrical installation.

The work includes comprises the following elements:

- Inspection and Condition Survey
- Identification of alterations to the original electrical installation which may have been undertaken by third parties without the consent of the Landlord - Folkestone & Hythe District Council
- Identification of faults – category C1, C2 & C3
- Identification of matters requiring further investigation – category FI
- Remedy of C1 faults within agreed financial constraints
- Remedy of C2 faults within agreed financial constraints
- Rectification of faults on circuit
- Supply and Installation of New Smoke Detectors D1 – LD3 Wireless
- Smoke Detector Replacement
- Interlinking of existing smoke system
- Supply and Installation of CO2 detector if none present

3.2 Required Output

For every property inspected the following is required:

- A fully complete ECIR
- A list of works identified as C1, C2 or C3 including confirmation that all C1's & C2's have been completed prior to leaving the premises (within agreed financial constraints or with Contract Administrators approval as applicable.)
- A list of unauthorised adaptations to the installation.

Electronic report shall be produced and submitted on a weekly basis to the employer. On a day to be agreed all reports arising from the previous weeks inspections shall be transmitted to the employer in an agreed format that will allow inclusion directly with their PMS and all outstanding C3 repairs to be identified and prioritised.

3.3 Inspection & Testing - Extent of Contractors Responsibility

The Contractor shall be responsible for the complete inspection and testing of electrical installations as per BS7671:2018 as appropriate to either the initial or periodic inspection, furthermore:

Inspectors and Contractor's engineers shall be competent, have sound knowledge and experience relevant to the nature of the installation being inspected and tested to BS7671 and technical standards.

Inspectors shall have relevant education and experience to enable perception of electrical risks and dangers, practice in inspection and test procedures and comprehensive understanding of test equipment and interpretation.

The Contractor will demonstrate competence by means of registration/certification to a recognised industry scheme.

The Contractor shall ensure their own safety, and that of others, in the performance of the test procedures. The safety procedures detailed in Health and Safety Executive Guidance Note GS38 (revised) 'Electrical test equipment for use by electricians' should be observed.

The Contractor shall Calibrate and maintain testing equipment and, if requested, produce records of such calibration.

The Contractor shall carry out a Risk Assessment and generate a Method Statement of their intended Inspection & Testing Process/Procedures and submit this to the Contract Administrator for agreement.

The Contractor shall be responsible for the correct maintenance and adjustment of all components such that the systems are kept in proper working order to the manufacturer's specification.

The Contractor will be responsible for resetting connected systems and appliances when a circuit is re-energised including time/date adjustments.

The Contractor is responsible and is required to replace equipment damaged as a result of testing procedures inflicted to sensitive equipment.

The Contractor shall inspect every termination within distribution systems and distribution boards to ensure that the connections of the conductors are properly installed and secure.

The Contractor shall make allowance to inspect at least 25% of the termination points per power circuit and at least one of the luminaries and one switch per lighting circuit including as listed in IET Guidance Note 3 Inspection and Testing Table 3.3: range of samples for inspection.

3.4 Applicable Standards

The Certificate to be issued will be an Electrical Installation Condition Report.

- IET Guidance Note 3: Testing and Inspecting
- BS 7671: wiring regulations / Current edition
- The Contractor is to be part of the National Inspection Council for Electrical Installation Contracting (NICEIC) Approved Contractor Scheme
- BS5839: Part 6 Fire Detection

3.5 Five Year Fixed Electrical Installations Periodic Testing

The Contractor shall carry out the requirements for periodic inspection and testing of the fixed wired electrical installations in accordance with BS7671:2018 , Regulations 651.2 to 651.5 in order to determine, so far as reasonably practicable, whether the installation is in a satisfactory condition for continued service. The contract is to include updating labelling to Distribution equipment where applicable.

IET Guidance Note 3 Inspection and Testing shall be referenced also as guidance.

Particular attention therefore needs to be given during the inspection process to assess the condition of the installation in respect of:

- Safety
- Wear and tear
- Corrosion
- Damage and deterioration
- Excessive loading (signs of)
- Age
- External influences
- Suitability for continued use, taking account of any changes in use or building extensions etc.

The Contractor shall:

- Identify and locate all distribution systems, circuits, accessories and equipment
- Perform a periodic inspection and test
- Label circuit charts and distribution boards appropriately
- Compile and produce detailed and clear periodic documentation comprising Electrical Installation Condition Report, Schedule of inspections and Schedule of test results.

3.5.1 Testing Protocol

- All works to be carried out by an NICEIC Approved Contractor.
- The preferred method of testing the Circuit Protective Conductor (CPC) continuity of a circuit is Method 1 (r1+r2).
- All circuits are to be tested and investigated fully without exception.
- A minimum of 4 accessories or 25% (whichever shall be the greater) are to be removed and the wiring and terminals checked for safety on multiple point circuits. If faults are found, the complete circuit is to be inspected.
- Limitations to the testing can only be recorded with prior authorisation from the Contractor Administrator.
- Any evening storage heating Distribution boards will be fully dead tested and a limitation noted on the certificate.
- As the inspection is carried out, loose connections should be tightened as they are found.
- Verify provision, age and performance of smoke detectors including battery operated devices. Specifically identify or consider whether smoke detector heads are older than 10 years and reported to Contract Administrator.
- The relevant Electrical Inspection Condition Report must be an NICEIC Certificate.

3.5.2 Tests to be made

The tests considered appropriate should be carried out in accordance with recommendation in Table 3.4 and considering sections 3.81 to 3.84 of EIT Guidance Note 3 Inspection and Testing.

3.5.3 Circuit designation charts

A legible diagram, chart or table or equivalent form of information shall be provided indicating the required information as Regulations 514.9 from BS7671:2018.

Any circuit's onsite which cannot be identified from the circuit designation chart must be identified and labelled upon completion of the Electrical Installation Condition Report. Any circuits which cannot be identified by test or further reasonable attempts are to be noted on the Electrical Installation Condition Report and the issues highlighted to the contract administrator, known circuit parameter are still to be listed in the test results schedule.

3.5.4 Warning signs and labelling

As part of this electrical testing specification, to comply with Regulations 514.10 to 515.2 of BS 7671:2018 , the following labels are to be included (where absent), securely fixed on or adjacent to consumer units and distribution boards:

- Connection of earthing and bonding conductors.
- Isolation requiring more than one device.
- Periodic inspection and testing.
- Residual current devices.
- Warning notice – non-standard colours.
- Warning notice – alternative supplies.
- Warning notice – high protective conductor.
- Warning notice – photovoltaic systems.
- Information Notice – Showing the location of the main bonding connections

3.5.5 Electrical safety

In addition to the advice given in the HSE Best Practice Guide “Guidance on Safe Isolation Procedures for Low Voltage Installations”, the Contractor shall take account of the following requirements:

During the period of the electrical testing, the Contractor shall ensure the safety of the electrical installation and that control of the electrical danger within the area of the contract is the responsibility of a Competent Person in his employ

The electrical installations will be formally delegated to the Competent Person identified by the Contractor at the start of the contract and upon completion will be “handed back”, with the transfer of responsibility being recorded on a standard form to be agreed under the contract.

The Contractor shall not work on any electrical circuit in which all phase (live and neutral) conductors have not been isolated, except where this is necessary to carry out a particular test or procedure (for example: polarity, earth fault loop impedance and the functional testing of RCDs, RCBOs, switchgear and control gear)

Before commencing work, isolation shall have been carried out by either physically removing the links or fuses and by a locking device securing the isolation in an “off” position

Substantial warning notices shall be securely fixed to the control device clearly labelled “PLEASE DO NOT SWITCH ON - OPERATIVE WORKING”. These notices are to include the Contractor’s trading title together with the name of the Responsible Person who is responsible for the electrical safety within the area, and throughout the duration of the contract a 24-hour contact telephone number.

3.5.6 Dangerous Conditions (C1 – danger present)

C1 (Danger present) reporting classification code should be used to indicate that danger exists, requiring immediate remedial action.

The Contractor shall assume responsibility on behalf of the client to reduce the risk of a C1 discovery.

The Responsible Person ordering the report should be advised to take action without delay to remedy the observed deficiency of the installation. If applicable the Contractor, upon receipt of the responsible person’s direction shall take immediate remedial action and upon completion shall issue an authorisation for rectification.

If this cannot be achieved, then the inspector is to take appropriate action (such as switching off and isolating the affected parts of the installation) to remove the danger.

The inspector should not wait for the full report to be issued before giving this advice.

If the Responsible Person is unable to approve rectifications to resolve the issues, a ‘Dangerous Condition Notification’ form with photographs will be issued by the inspector to record and communicate the dangerous condition discovered. The circuit shall be isolated not to allow accidental/unauthorised switch on.

3.5.7 Certificates and reports

Following the periodic inspection and testing of an existing installation, an Electrical Installation Condition Report or Electrical Installation Certificate together with one or more schedules of inspection and one or more schedules of test results are to be submitted to the Contract Administrator ordering the inspection. These certificates must be electronically recorded and issued to the Contract Administrator electronically. Please note: Hand written reports will not be accepted.

All fields of the documentation must be completed appropriately. External Earth Loop Impedance and Perspective Fault Current must be detailed by enquiry with the Distribution Network Operator or Electrical Supplier where test results cannot be obtained by measurement.

Observations must describe the danger in simple terms and observation code classifications are to be readily backed by regulations and cross referenced in the inspection schedule.

Where, during the course of inspection or testing, an immediate danger is found to be present in an installation, immediate action will be necessary to make it safe before continuing. The employer is to be notified immediately in conversation and in writing, detailing the observation to include photographic evidence and details of repairs required for authorisation. At no point should an immediate danger to be left energised.

The Contractor will work with F&HDC to ensure that certificates can be provided via SFTP, and eventually have the capability to be linked with the Northgate Housing System Compliance Modules to instantly upload as required and completed.

3.6 Categorisation of defects

For the avoidance of doubt the following categorisation shall be used:

C1: Immediate Danger – e.g. Exposed live parts, Open gap in the consumer unit, badly damaged accessory, Incorrect Polarity, Conductive parts are live due to fault

C2: Potentially Dangerous – e.g. Poor Earthing, Absence of RCD for portable equipment used outside or where is located in a bath or shower room, Absence of earthing at a socket.

C3: Non-Compliance – Improvement recommended – e.g. Absence of an RCD, undersized bonding conductor, general standards and regulations not met.

FI : Where there is a fault or unknown circuit that may require further investigation.

3.7 Actions to be taken

C1 Faults – Where the cost of a repair will exceed a gross invoice value of £200.00 notify Contract Administrator who will direct the action to be taken to ensure faults are rectified on the day of inspection.

C2 Faults - Where the cost of a repair will exceed a gross invoice value of £50.00 notify Contract Administrator who will direct the action to be taken to ensure faults are rectified on the day of inspection.

The cost for the repairs of the C1 & C2 can be aggregated to the total cost of £250.00, as required, but should not exceed this total without confirmation from the Contract Administrator.

C3 Faults – Notify Contract Administrator within usual reporting to enable a programme of works to be prepared for execution under a separate contract.

FI - notify Contract Administrator on the day of inspection.

Matter related to reg. 553.1.7 BS7671:2015, where a property has a number of extension leads due to lack of sockets include within report and advise Contract Administrator within the usual meeting and reporting procedure

Unauthorised alterations - where a property has unauthorised alterations include within report and advise Contract Administrator within the usual meeting and reporting procedure. Enquire of tenant whether a “Part P” certificate was requested or obtained.

Absence of smoke detectors - include within report and advise Contract Administrator within the usual meeting and reporting procedure.

Where there is no smoke detector present, the Contractor will supply and install a new Smoke Detector D1-LD3 wireless.

Disconnected mains smoke detectors where the detector head is on site – reinstate detector head.

Where the smoke detectors are disconnected, they should be reinstated and interlinked to the existing smoke system.

Smoke detector heads assessed as being older than 10 years - include within report and advise Contract Administrator within the usual meeting and reporting procedure.

Where the smoke detectors require replacement, the Contractor shall carry out this requirement whilst in attendance at the property.

3.8 Electrical Priority Rewires

Where an electrical system requires a priority rewire, the Contractor must contact the Contract Administrator with details of the findings and the recommendation to rewire including a provision plan to achieve this.

Where findings are conclusive and the Contract Administrator approves the requirement, these works shall be commenced within 7 days of receipt of instruction from the Contract Administrator.

The Contractor is required to price for rewiring of the various types of properties as detailed in 3.8.1 – 3.8.6, these works shall as a minimum consist of:

Kitchen	4 double socket outlets
Lounge	4 double socket outlets
Single bedroom	2 double socket outlets
Double bedroom	3 double socket outlets
Halls and landings	1 double socket outlet in each
Dining room	3 double socket outlets
Lofts spaces	Light
Bathrooms	LED Bulk heads
Kitchens/ Utility areas	Linear LED
It should be noted that all fittings are to be flush finish	

3.8.1 Houses

1, 2, 3, 4 & 5 Bedroom Houses, terraced, semi-detached and detached in a range of styles and ages.

3.8.2 Flats & Apartment

Including Independent Living Accommodation for Vulnerable People

1, 2, 3 & 4 bedroom self-contained accommodation. Purpose built and conversion in a range of styles and ages.

3.8.3 Maisonettes

1, 2 & 3 bedroom maisonettes. In a range of styles and ages.

3.8.4 Bedsits including 1 bedroom

Self-contained accommodation. Purpose built and conversion in a range of styles and ages.

3.8.5 Bungalows

1 & 2 bedroom self-contained accommodation. Purpose built and conversion in a range of styles and ages.

4.0 Programme of testing

The Contractor is to provide pricing in Appendix D for completion of the specified number of tests per year to be carried out over a 5-year period following the commencement of the contract. The Contractor will also be required to submit a programme for the completion of the works, indicating the resource provision.

APPENDIX B

Folkestone & Hythe District Council

Key Performance Indicators

For

Electrical Inspection Condition Reports and Remedial Works to residential properties

KPI 1: Properties contacted for access

Purpose:	To determine the required number of appointments successfully arranged with residents to secure access.
Definition:	The proportion of appointments made against the plan for the month.
Method:	<p>With reference to the forward plan (as provided by the Contractor) to be contacted for arrangements to be made to attend and carry out EICR test.</p> <p>Performance Data:</p> $\frac{\text{Total Number of Appointments Made}}{\text{Number of Planned Properties}} \times 100$
Example:	<p>During a month, using the forward plan of the following month's properties to be tested (i.e. 60), 54 residents were contacted to arrange access.</p> <p>Performance Data:</p> $\frac{54 \text{ Contacted}}{60 \text{ Planned}} \times 100 = \mathbf{90\%}$
Target:	90%

KPI 2: Properties attended in the period

Purpose:	To determine the number of properties attended during one month
Definition:	The proportion of properties attended against the plan for the month.
Method:	<p>With reference to the forward plan of how many properties are to be attended to carry out EICR test.</p> <p>Performance Data:</p> $\frac{\text{Total Number of Properties Attended}}{\text{Planned properties}} \times 100$
Example:	<p>During a month, using the forward plan of the following month's properties to be tested (i.e. 60), 54 residents were contacted to arrange access.</p> <p>Performance Data:</p> $\frac{54 \text{ Attended}}{60 \text{ Planned}} \times 100 = \mathbf{90\%}$
Target:	95%

KPI 3: EICR Certificates completed

Purpose:	To measure whether the planned number of Certificates has been completed on time.
Definition:	The difference between the planned number of certificates completed as per the contractor's programme and the actual number completed.
Method:	<p>On a property by property basis the contractor to record the actual number of Certificates completed against the planned number to be completed within the month. Variances to be calculated by the contractor.</p> <p>Using the number of certificates actually completed within the month to calculate the variance.</p> <p>Performance Data:</p> $\frac{\text{Number of certificates completed}}{\text{Number of certificates planned}} \times 100$
Example:	<p>The number of certificates actually completed was 40</p> <p>Performance data:</p> $\frac{40 \text{ certificates completed}}{45 \text{ Number of properties started}} \times 100 = \underline{\underline{89\%}}$
Target:	90%

KPI 4: EICR Certificates provided

Purpose:	To measure the number of Certificates provided to F&HDC against the number of certificates reported by the Contractor as completed
Definition:	The difference between the number of certificates completed as per the Contractor's report and the actual number provided to F&HDC.
Method:	Performance Data: $\frac{\text{Number of Certificates provided}}{\text{Number of Certificates reported completed}} \times 100$
Example:	<p>The number of certificates actually provided this month was 47 and the number of certificates completed is declared as 50</p> <p>Performance data:</p> $\frac{47 \text{ Number of certificates provided}}{50 \text{ Number of certificates reported completed}} \times 100 = \mathbf{94\%}$
Target:	95%

KPI 5: Proportion of Contract Complete

Purpose:	To determine the proportion of the Contract Complete
Definition:	The difference between the plan of works to be completed under the contract as per the contractor's programme and the actual works completed.
Method:	<p>Performance Data:</p> $\frac{\text{Actual Number of Tests completed cumulatively for the year} \times 100}{\text{Planned Number of Tests cumulatively for the year}}$
Example:	<p>Each month's completed tests added to the previous to produce a cumulative effect.</p> <p>Performance Data:</p> $\frac{600}{5298 \text{ Tests required}} \times 100 = 11.32\% \text{ completed}$ <p>Performance Score:</p> <p>% planned per month</p>
Target:	95% to plan – appreciating there may be issues with access

Processing Personal Data Schedule

For

**Electrical Inspection Condition Reports and Remedial Works to
residential properties**

March 2022

Schedule of Processing, Personal Data and Data Subjects

Schedule: Processing, Personal Data and Data Subjects

This Schedule shall be completed by the Controller, who may take account of the view of the Processors,¹ however the final decision as to the content of this Schedule shall be with the Controller at its absolute discretion.

The contact details of the Controller's Data Protection Officers are:

[REDACTED]
Folkestone & Hythe District Council, Civic Centre, Castle Hill Avenue,
Folkestone, Kent CT20 2QY.
Email: [REDACTED]

Unit 1 Broomvale Business Centre, Bramford Road, Ipswich, Suffolk IP8 4JU
Email: [REDACTED][@sureservegroup.co.uk](mailto:[REDACTED]@sureservegroup.co.uk)
Tel: [REDACTED]

1. The Processor shall comply with any further written instructions with respect to processing by the Controller.
2. Any such further instructions shall be incorporated into this Schedule.

Description	Details
Identity of the Controller and Processor	The Parties acknowledge that for the purposes of the Data Protection Legislation, The District Council of Folkestone and Hythe is the Controller and the Contractor is the Processor in accordance with Clause 1.1.
Subject matter of the processing	This processing is needed in order to ensure that the Controllers can effectively manage housing to tenants and/or leaseholders of properties owned by The District Council of Folkestone and Hythe This Contract concerns the production of Electrical Inspection Condition Reports, remedial works to electrical systems, and in addition any associated works.

¹ For the terms of this agreement, the Contractor is acknowledged to be the data Processor

Duration of the processing	This contract commences on 1 August 2022 and is due to finish 31 July 2025.

Sole bidding organisation

You are a 'sole bidding organisation' if this quotation is submitted for your company only. If you intend to use sub-contractors, consultants or other partner organisations to deliver the contract, you do not need to identify them in your response*. Your company will be entirely liable to Folkestone & Hythe District Council (F&HDC) for the delivery of the requirements of the contract.

*Exception: where sub-contractors will play a significant role in the delivery of the services (e.g. more than 50%) please refer to Section 1.1

Consortia, partnerships and joint ventures

If you are quoting for this contract on behalf of a group of companies (a consortium, partnership or joint venture) the following information must be provided:

- Full details of the consortium, partnership or joint venture and
- Information sought in this questionnaire in respect of each of the consortia, partnership or joint venture constituent members as part of a single response.

If you propose to create a separate corporate entity for this contract, you must provide details of the actual or proposed percentage shareholding of the constituent members within the consortium in a separate schedule (how much of the new organisation each member will own).

F&HDC reserves the right to require a successful consortium to form a single legal entity in accordance with Regulation 19(6) of the Public Contracts Regulations 2015.

If there is a change in the consortium, partnership or joint venture you must inform F&HDC immediately.

Special Purpose Vehicles (SPV)

You are a 'Special Purpose Vehicle' (SPV) if you have formed (or will form) a new legal entity for the purpose of bidding for this contract, with the intention that this organisation will be awarded the contract.

Further Competition (OJEU 2019/S 078-184728) - Supplier Response Document

In addition the member organisation of the special purpose vehicle will be required to be jointly and severally liable to the Council for the delivery of the requirements of the contract, regardless of

(a) the value of their contributions in respect of the contract sum, time, volume, quality or any other considerations, or

(b) the future organisational or legal standing of the special purpose vehicle.

You must inform F&HDC of any withdrawal of members of the SPV during or subsequent to the ITT so that the implications of such a withdrawal may be assessed.

Consortia and sub-contracting (please tick)	
a) Your organisation is bidding to deliver the contract itself	✓
b) Your organisation is bidding in the role of prime contractor and intends to use third parties to deliver some of the contract If more than 50% of the work will be completed by sub-contractors, please complete the sub-contractor information template provided.	N/A
c) Bidding organisation is a consortium, joint venture or partnership	N/A
d) Bidding organisation is a special purpose vehicle	N/A
If your answer is (c) or (d) please provide a separate document explaining which member of the group will be responsible for providing each part of the contract. N/A	

1.2 ECONOMIC & FINANCIAL STANDING

This Section is risk based **PASS/FAIL**.

You are not required to submit any financial documents at this time, but F&HDC reserves the right to request further information and or request a credit agency report.

If you are bidding as a consortium, partnership, joint venture or special purpose vehicle:

we will obtain this information for each member of the group. The threshold for turnover can be met entirely by one member or by a combination of members; it is not necessary for each member to individually meet the threshold.

Is your annual turnover (at the date of the last audited accounts) or your projected annual turnover greater than £460,000 GBP?	Yes
---	-----

1.3 INSURANCE

This Section is **PASS/FAIL**. A bidding organisation will fail if it does not hold or is unwilling to obtain the minimum levels of insurance required.

You are not required to submit any evidence at this time. If you are successful, you will be asked to provide evidence in the form of copies of policies, letters of confirmation from insurers (or Brokers).

If you are bidding as a consortium, partnership, joint venture or special purpose vehicle: you must be adequately covered as a whole but may do so through any combination of policies of member organisations.

1.2.1 Is your Public Liability indemnity cover greater than £5 million GBP per incident?	Yes
1.2.2 Is your Employers Liability cover greater than £5 million GBP per incident (or the amount required by law)?	Yes

SECTION 2 – TECHNICAL AND QUALITY QUESTIONS

2.1 GENERAL DATA PROTECTION

For the purposes of the Data Protection Legislation, F&HDC is the data controller and the contractor will be the data processor

Data to be processed includes names, address, and telephone numbers of F&HDC's tenants and leaseholders. Refer to Appendix F.

<p>2.2.1 Do you have the resources, systems and procedures in place to ensure your organisation will comply with the General Data Protection Regulations and F&HDC's information management policies while performing the contracted services?</p> <p>If yes, please provide details of the measures in place.</p> <p>If no, please detail what measures will be in place before the contract starts.</p>
<p>Yes:</p> <p>Our data controller registration with the Information Commissioner, together with our ISO27001 Information Security Management and Cyber Essentials accreditations provides a checklist of controls/code of practice; aligned to maintain our Information Security Management System, which will ensure our full compliance with the Data</p>

Protection Act/ General Data Protection Regulations (GDPR)/ F&HDC's information management policies at-all-times.

In compliance with GDPR we'll undertake a Data Protection Impact Assessment during mobilisation to ensure data security.

Our Group Head of Security Gary Fairly is our named Data Protection Officer. Gary will own our personal data policies/ procedures. Our Data Protection Policy is reviewed annually, alongside a programme of audits/ tests to ensure our processes remain robust and fit-for-purpose. All personal/ corporate data will be protected by a range of controls (outlined below) which will always ensure our full compliance:

- Access to our ICT systems is managed using Microsoft Active Directory Group Policies and local/ domain administrator roles strictly limited with 'least privilege' access in place.
- User password policy is enforced requiring 60-day renewal; changes can be enforced within this period if required by system administrators.
- Mobile device management software allows our ICT staff to configure/ provision/ track and remotely lock/ wipe devices in the event of loss or compromise.
- All devices are PIN protected and where available, biometric authenticated.
- Trend Micro anti-virus and endpoint protection is deployed across our systems, against advanced malware threats and enabling control over removable media/web-access/other data loss risks.
- We apply operating system/ security patches in-line with industry practice.
- We employ penetration testing to identify/ remediate vulnerabilities in application/ infrastructure. Tests are undertaken for new/ existing systems, as regular 'health-checks'. Findings from test work are taken seriously, any vulnerabilities deemed 'critical/ high' addressed immediately and residual 'medium/ low' vulnerabilities remediated as per a risk-based Remedial Actions Plan.
- ICT/ handheld devices and call scripts automate prompts to force staff GDPR compliance within all communications and activities- redacting data wherever possible.
- All consents/ data processing activities are held on our ICT systems providing a transparent audit trail. We do not transfer personal data outside of the UK.
- Our SFTP servers are in a UK data centre, with mirrored back-up at 3-separate UK locations protected by code-locked inner/ outer doors with credentials only available to named staff. The sites within a secure compound with signing in/ out procedures and manned security gates. The building is alarmed when not in use.
- Any paper records held in offices/ depots are protected by locked filing cabinets/ storage rooms, with keys only available to named staff and shredded to ISO27001 standards. All offices/ depots require signing in/ out and the buildings alarmed when not in use.

- GDPR is the combined responsibility of our entire team/ supply chain who'll receive mandatory annual training/ refresher training/ toolbox talks in their bespoke contract induction. Our GDPR e-Learning module is available from operatives' handheld devices and regularly vetted by Gary. F&HDC will be invited to training.
- All Supply Chain are required to comply with relevant sections of our Company Handbook (including GDPR/ information security) and abide by the terms of our Anti-Corruption Policy.
- DBS checks are completed for all posts dealing with sensitive information/ vulnerable persons.

2.2 HEADLINE QUESTIONS

This question is for information only. Your tender will not be rejected if the answer is 'no'.

<p>2.3.1 Do you currently have a carbon reduction plan or other measures in place to avoid or minimise the carbon emissions produced by your organisation and in your supply chain?</p>	<p>Yes</p>
<p>2.3.2 Provide an estimated figure for your scope 1 (direct emissions), scope 2 (energy indirect) emissions for your organisation's previous financial year. Guidance on how to calculate this figure can be found online (go to "Small Business User Guide" on gov.uk website)</p>	
<p>Scope 1 = 991.519 tonnes of CO2 Scope 2 = 23.562 tonnes of CO2</p>	
<p>2.3.3 The estimated annual value of this contract is £231,200. Calculate the estimated annual contract value as a % of your turnover for the last financial year or your estimated turnover for the current financial year (e.g. £231,200 is 5% of £4,624,000). Apply this percentage to your estimated annual emissions to provide an estimate of the CO2 that will be emitted in the delivery of this contract. (e.g. if the contract value is estimated at 5% of your turnover, what is 5% of your organisation's scope 1 and scope 2 carbon emissions)</p>	
<p>FY ended 30th September 2021 = £40,648,027 turnover £231,200 is 0.57% of £40,648,027 0.57% of scope 1 carbon emissions = 5.652 tonnes of CO2 0.57% of scope 2 carbon emissions = 0.134 tonnes of CO2</p>

Further Competition (OJEU 2019/S 078-184728) - Supplier Response Document

On behalf of Aaron Services Limited, I offer to provide the supplies, services and/or works to F&HDC as specified in the quotation documents, commencing and continuing for the period specified in those documents (including any option to extend).

The quotation documents consist of:

- Request for Quotation Instructions
- Specification
- Contract Key Performance Indicators (KPIs)
- F&HDC asset list
- Draft contract terms
- Processing Personal Data Schedule
- the organisation's completed Schedule of Rates
- this response document
- and any documents I have submitted with this response document (listed on the first page)

If this offer is accepted, we will execute such documents as maybe appropriate in order to create a binding contract between F&HDC and ourselves.

I agree with the Council in legally binding terms to comply with the provisions of confidentiality set out in the **Request for Quotation Instructions**.

I understand F&HDC is not obliged to accept the quotation with the lowest cost or any quotation.

I accept that any costs incurred in preparing this quotation are at the organisation's own cost and F&HDC will not provide any reimbursement of these costs for unsuccessful or successful quotations.

I declare that to the best of my knowledge the answers submitted and information contained in this document are correct and accurate.

I declare that, upon request and without delay I will provide the certificates or documentary evidence referred to in this document.

I understand that the authority may reject this submission in its entirety if there is a failure to answer all the relevant questions fully, or if false/misleading information or content is provided in any section.

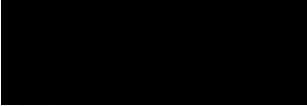

I am aware of the consequences of serious misrepresentation.

I declare our quotation has not been calculated by agreement or arrangement with any person other than F&HDC and that the pricing information for our quotation has not been shared with any person before the Quotation Return Date and not without the written consent of F&HDC.

Further Competition (OJEU 2019/S 078-184728) - Supplier Response Document

I declare no person at the organisation has canvassed or solicited any member, officer, employee or agent of F&HDC in connection with the award of the Contract and that no person will do so before F&HDC completes the evaluation process.

I warrant that I have all requisite authority to sign this quotation and confirm that I have complied with all the requirements of the tender process described in the **Request for Quotation Instructions** and this **Request for Quotation supplier response document**.
