Author: Strategic Procurement
Version: v1.00

PART A

This document is divided into two parts:

Part A provides information about the SQ process for the award of the contract by the Council.

Part B sets out in the form of a selection questionnaire the information which Bidders must submit to the Council.

1 Overview of the Document and Procurement Process

- 1.1 Part A of this document sets out background information about the process that the Council will be using with regards to the SQ.
- 1.2 This document has been produced to enable the Council to obtain information from potential Bidders about (i) their economic and financial standing; and (ii) their technical and/or professional ability to perform the proposed contract.
- 1.3 Part B of this document includes a questionnaire that asks for financial and technical information from you. The financial information which we are asking you to provide allows the Council to be satisfied that a Bidder has adequate financial and other resources to deliver the contract. The technical information allows the Council to assess whether a Bidder has the relevant skills and experience to be capable of performing the proposed contract to meet the Council's needs.
- 1.4 All Bidders are required to complete the SQ (as contained in Part B) and the other Tender Response Documents in order to submit their completed bid. Bids must therefore comprise both the SQ and Tender Response Documents. Bidders' SQ submissions will be evaluated prior to evaluation of the further Tender Responses.
- 1.5 The Council reserves the right to reject any Bidder if it fails to satisfy any of the "Pass" requirements in the SQ (Part B).
- 1.6 The Council will evaluate Bidder responses to the selection questions in the SQ (Part B of this document) before evaluating the remainder of the Bid. All Bidders meeting the selection criteria (set out in Section 5 of the Invitation to Tender) will proceed to the tender evaluation stage and will have the remainder of their Bids evaluated. Bidders which do not meet the selection criteria, will not proceed to the tender evaluation stage.
- 1.7 The Council intends to review the responses provided by Bidders and evaluate those responses that comply with the requirements of this SQ using the selection stage criteria and weightings outlined in Section 5 of the Invitation to Tender document.
- 1.8 Following the evaluation exercise in paragraph 1.6 above, the Council will then proceed to evaluate the tender responses submitted by Bidders who satisfy the minimum requirements of the SQ and appoint the Bidder offering the most economically advantageous tender.

2 The Selection Questionnaire

- 2.1 The SQ and supporting Procurement Documents have been prepared by the Council for the purpose of providing an application procedure for individuals or organisations interested in tendering for these services and to assist Bidders in making their own evaluation of the potential opportunity.

- 2.2 Whilst prepared in good faith, the SQ and supporting Procurement Documents are intended only as a preliminary background explanation of the Council's activities and plans and is not intended to form the basis of any decision on whether to enter into any contractual relationship with the Council. The SQ and supporting Procurement Documents do not purport to be all-inclusive or to contain all of the information that a potential Bidder may require.
- 2.3 Any persons considering making a decision to participate in this procurement competition process with the Council following receipt of the SQ (with a view of entering into a contract with the Council if successful) should make their own investigations and their own independent assessment of the Council and its requirements for the services and should seek their own independent professional financial and legal advice.
- 2.4 Neither the Council nor its advisers, directors, officers, members, partners, employees, other staff, agents (or advisers of any such body or person):
- 2.4.1 makes any representation or warranty (express or implied) as to the accuracy, reasonableness or completeness of the SQ (and supporting Procurement Documents or any other subsequent documents, communications or information provided during the procurement process);
 - 2.4.2 accepts any responsibility for the information contained in the SQ (and supporting Procurement Documents or any other subsequent documents, communications or information provided during the procurement process) or for its fairness, accuracy or completeness;
 - 2.4.3 shall be liable for any loss or damage (other than in respect of fraudulent misrepresentation) arising as a result of reliance on such information or any subsequent communication.
- 2.5 Only the express terms of any written contract relating to the subject matter of the contract as and when it is executed shall have any contractual effect in connection with the matters to which it relates. English law will govern any such contract.
- 2.6 Nothing in the SQ (and supporting Procurement Documents or any other subsequent documents, communications or information provided during the procurement process) is, or should be, relied upon as a promissory or a representation as to Council's ultimate decisions in relation to the scope of services which may be awarded by the Council at the conclusion of the procedure.

Part B – Standard Selection Questionnaire

Potential Supplier Information and Exclusion Grounds: Part 1 and Part 2.

The standard Selection Questionnaire is a self-declaration, made by you (the potential supplier), that you do not meet any of the grounds for exclusion¹. If there are grounds for exclusion, there is an opportunity to explain the background and any measures you have taken to rectify the situation (we call this self-cleaning).

A completed declaration of Part 1 and Part 2 provides a formal statement that the organisation making the declaration has not breached any of the exclusions grounds. Consequently, we require all the organisations that you will rely on to meet the selection criteria to provide a completed Part 1 and Part 2. For example, these could be parent companies, affiliates, associates, or essential sub-contractors, if they are relied upon to meet the selection criteria. This means that where you are joining in a group of organisations, including joint ventures and partnerships, each organisation in that group must complete one of these self-declarations. Sub-contractors that you rely on to meet the selection criteria must also complete a self-declaration (although sub-contractors that are not relied upon do not need to complete the self-declaration).

When completed, this form is to be sent back to the contact point given in the procurement documents along with the selection information requested in the procurement documentation.

Supplier Selection Questions: Part 3

The procurement document will provide instructions on the selection questions you need to respond to and how to submit those responses. If you are bidding on behalf of a group (consortium) or you intend to use sub-contractors, you should complete all of the selection questions on behalf of the consortium and/or any sub-contractors.

If the relevant documentary evidence referred to in the Selection Questionnaire is not provided upon request and without delay we reserve the right to amend the contract award decision and award to the next compliant bidder.

Consequences of misrepresentation

If you seriously misrepresent any factual information in filling in the Selection Questionnaire, and so induce an authority to enter into a contract, there may be significant consequences. You may be excluded from the procurement procedure, and from bidding for other contracts for three years. If a contract has been entered into you may be sued for damages and the contract may be rescinded. If fraud, or fraudulent intent, can be proved, you or your responsible officers may be prosecuted and convicted of the offence of fraud by false representation, and you must be excluded from further procurements for five years.

PROVISION AND OPERATION OF HOMELESSNESS, HEALTH & HOUSING HUB IN CENTRAL BOURNEMOUTH

OPEN PROCEDURE

Notes for completion

1. The “authority” means the contracting authority, or anyone acting on behalf of the contracting authority, that is seeking to invite suitable candidates to participate in this procurement process.
2. “You” / “Your” refers to the potential supplier completing this standard Selection Questionnaire i.e. the legal entity responsible for the information provided. The term “potential supplier” is intended to cover any economic operator as defined by the Public Contracts Regulations 2015 (referred to as the “regulations”) and could be a registered company; the lead contact for a group of economic operators; charitable organisation; Voluntary Community and Social Enterprise (VCSE); Special Purpose Vehicle; or other form of entity.
3. Please ensure that all questions are completed in full, and in the format requested. If the question does not apply to you, please state ‘N/A’. Should you need to provide additional information in response to the questions, please submit a clearly identified annex.
4. The authority recognises that arrangements set out in section 1.2 of the standard Selection Questionnaire, in relation to a group of economic operators (for example, a consortium) and/or use of sub-contractors, may be subject to change and will, therefore, not be finalised until a later date. The lead contact should notify the authority immediately of any change in the proposed arrangements and ensure a completed Part 1 and Part 2 is submitted for any new organisation relied on to meet the selection criteria. The authority will make a revised assessment of the submission based on the updated information.
5. For Part 1 and Part 2 every organisation that is being relied on to meet the selection must complete and submit the self-declaration.
6. For answers to Part 3 - If you are bidding on behalf of a group, for example, a consortium, or you intend to use sub-contractors, you should complete all of the questions on behalf of the consortium and/ or any sub-contractors, providing one composite response and declaration.

The authority confirms that it will keep confidential and will not disclose to any third parties any information obtained from a named customer contact, other than to the Cabinet Office and/or contracting authorities defined by the regulations, or pursuant to an order of the court or demand made by any competent authority or body where the authority is under a legal or regulatory obligation to make such a disclosure.
