Quality Statements

You are required below to respond to a number of questions. Your responses will tell us How, Who, What, Where, When and Why. Your responses are your opportunity to convince us that you should be awarded the contract. Please ensure that your responses are relevant and proportionate. You must respond fully to each question. Do not cross-reference from one response to another.

Once the Authority is satisfied with response documents, they will be incorporated into and form part of the contract.

Responses must be Arial Font Size 12. A word limit is stated for each response. If a response exceeds the stated word limit then the words over that limit will not be read and a score will be awarded on this basis. Information excluded from over-long responses may impact your ability to win the contract.

Please read the Specification carefully and complete your responses where indicated.
