C3 Stage Two Award

C3.1 Award Evaluation

Torbay Council will only undertake an evaluation of Most Economically Advantageous Tender (MEAT) criteria of those Applicants who have satisfied the requirements of Stage One Selection and meet any mandatory requirements for Stage Two.

The Award criteria have been designed to assess MEAT, taking into account a combination of Quality, Social Value and Price. The top scoring Applicant will be considered to have been successful.

The Applicant's response will be evaluated in accordance with the scoring methodology set out in section C4 below.

Please Note: All percentage scores will be calculated to two decimal places.

Where the scoring for two or more Tender submissions is tied, the top scoring Applicant will be the Applicant who has achieved the higher score on Quality.

Applicants are advised to ensure they have read and fully understand the criteria below, which will be used in the evaluation process:

Stage Two Award	Evaluation Criteria	Main Criteria	Sub-Criteria	Threshold
Mandatory Criteria				
Mandatory Pass / Fail Requirements	This/These criteria will be assessed on the basis of pass or fail. Torbay Council may exclude any Applicant who fails this section. In the case of any scored questions – a score of three or above (using the zero to five scoring) will be a pass and a score of two or below will be a fail.	Pass		Pass

C4 Scoring Methodology

Responses will be assessed using one, some or all of the following methods:

C4.1 Pass/Fail

Evaluation criteria assessed on a pass/fail basis are those where meeting the requirement is essential to Applicant's ability to deliver the Contract. They will usually relate to questions where a Yes or No response can be provided. The ability to meet the requirement will achieve a Pass and the Applicant will achieve a fail where they are unable to meet the requirement.

Where a Pass/Fail criteria is assessed on a scoring basis, a score of 3 or more, using the zero to five scoring matrix will be required to achieve a pass.

Where an Applicant fails one or more Pass/Fail criteria they will be deselected from participating further in the process and will be notified accordingly.

The criteria will also set out how the Applicant should evidence their ability to meet the requirement, this will be either:

- within their response to the mandatory criteria itself
- within their responses to the Award questions; and/or
- during due diligence prior to contract award.

If the Applicant does not evidence ability to meet the requirement the response will be considered to be a fail and the Applicant will be deselected from participating further in the process and will be notified accordingly.

C4.2 Thresholds

The quality criteria have thresholds attributed to specific method statements, these are detailed in the table at C3.1 and Part 5 Mandatory Criteria. The highest scoring Applicant is required to achieve a minimum non-weighted score of three for each of the identified method statements in order to be awarded the Contract. Where the highest scoring Applicant's response has not met one or more of the required thresholds the Contract will be awarded to the next highest scoring Applicant who has met all of the thresholds.

C4.3 Zero to Five Scoring

Evaluation criteria assessed on a scoring basis will be evaluated using the zero to five scoring system in the table below.

Score 5	Excellent	Exceeds the requirement. Exceptional demonstration by the Applicant of the relevant ability, understanding, experience, skills, resource & quality measures required to deliver the Contract. Response identifies factors that will offer significant added value and/or innovation, with evidence to support the response.
Score 4	Good	Satisfies the requirement with minor additional benefits. Above average demonstration by the Applicant of the relevant ability, understanding, experience, skills, resource & quality measures required to deliver the Contract. Response identifies factors that will offer potential added value, with evidence to support the response.

For Information

Score 3	Acceptable	Satisfies the requirement. Adequate demonstration by the Applicant of the relevant ability, understanding, experience, skills, resource & quality measures required to deliver the Contract, with sufficient evidence to support the response.
Score 2	Minor Reservations	Minor reservations on the Applicant's ability to satisfy the requirement. Some minor reservations of the Applicant's relevant ability, understanding, experience, skills, resource & quality measures required to deliver the Contract, with little or no evidence to support the response.
Score 1	Serious Reservations	Major reservations on the Applicant's ability to satisfy the requirement. Considerable reservations of the Applicant's relevant ability, understanding, experience, skills, resource & quality measures required to deliver the Contract, with little or no evidence to support the response.
Score 0	Unacceptable	Does not meet the requirement. Does not comply and/or insufficient information provided to demonstrate that the Applicant has the ability, understanding, experience, skills, resource & quality measures required to deliver the Contract, with little or no evidence to support the response.

The scoring system is based on the Applicant's ability to fully satisfy the requirement and provide sufficient evidence to support their response.

Where an Applicant's response is considered to have achieved a score of three, a further assessment will be made to determine whether the response has met the criteria required for a score of four or five to be awarded.

The Council's usual approach to evaluation of Tenders is for each Panel member to undertake an independent assessment of bids. The Panel will then come together in a Moderation Meeting, where a consensus score will be agreed.

Please Note: Where an Applicant's response is considered not to satisfy the requirement and/or adequately demonstrate the ability to deliver the Contract the maximum score achievable will be two, regardless of whether the Applicant exceeds the requirement in relation to some aspects of their response.

The scoring system awards the highest marks to those Applicants who, in addition to fully satisfying the requirement, demonstrate to a high level they have the relevant ability, understanding, experience, skills, resources and quality measures in place and/or offer added value or innovative solutions.

Scoring Example:

Sub Criteria % = 15.00%			
Applicant	Assessment	Score Awarded	% Score
Applicant A	Exceeds the requirement, with an exceptional demonstration of relevant ability, understanding, experience, skills, resource & quality measures	5	15.00%

For Information

	required to deliver the Contract, with evidence of significant added value/innovation		
Applicant B	Fully satisfies the requirement, provides sufficient evidence to demonstrate their ability to deliver the contract and offers some potential added value.	4	12.00%
Applicant C	Only meets some of the requirements, provides adequate evidence to demonstrate their ability to meet those requirements satisfied within the response and offers some added value and innovation in relation to aspects of their offer.	3	9.00%
Applicant D	Only meets some of the requirements, provides adequate evidence to demonstrate their ability to meet those requirements satisfied within the response and offers some added value and innovation in relation to aspects of their offer.	2	6.00%
Applicant E	Applicant says they fully satisfy the requirement, but provides insufficient evidence to demonstrate relevant ability, understanding, experience, skills, resource & quality measures required to deliver the Contract.	2	6.00%
Applicant F	Applicant does not provide sufficient assurance that they have the relevant ability, understanding, experience, skills, resource & quality measures required to satisfy the majority of the requirements.	1	3.00%
Applicant G	Applicant does not provide sufficient assurance that they have the relevant ability, understanding, experience, skills, resource & quality measures required to satisfy any of the requirements.	0	0.00%

a) The Requirement

Applicants will be initially assessed against the mandatory and core requirements identified within Part 2 Specification. Additional requirements will only be considered where the Applicant has fully met the criteria to be awarded a minimum score of three.

C4.4 Character, Word and Page Limits

The Tender will only be rejected where the evidence provided does not satisfactorily account for the low price or where the Applicant has obtained State Aid that has resulted in a distortion in competition.

Advice in assessing the explanation may be sought from Torbay Council's Corporate Finance section.
