

Do not scale this drawing (printed or electronic versions)

Contractors must check all dimensions from site

This drawing is copyright and is for use on this site only

All other design team elements, where indicated, have been imported from the engineers drawings and references should be made to the individual engineers drawings for each setting out, site and type of component.

Discrepancies and/or ambiguities within this drawing, between it and information given elsewhere, must be reported immediately to this office for clarification before proceeding.

All works to be carried out in accordance with the latest British Standards, Codes of Practice unless specifically directed otherwise in the specification.

Responsibility for the reproduction of this drawing in paper form, or if issued in electronic format, lies with the recipient to check that all information has been replicated in full and is correct when compared to the original paper document. The recipient is responsible for ensuring that the drawing has been correctly reproduced and that the reproduction is a true and correct copy of the original drawing. The recipient is responsible for ensuring that the drawing is used for the purpose for which it was intended and for ensuring that the drawing is not used for any other purpose. The recipient is responsible for ensuring that the drawing is not used for any other purpose. The recipient is responsible for ensuring that the drawing is not used for any other purpose.

Specifications and / or Details for actual sizes and or specific contractor construction information.

#### SAFETY, HEALTH AND ENVIRONMENTAL INFORMATION

For Construction Design Management (CDM) risk assessment please refer to document number: CDM-2007

It is assumed that all works on this drawing will be carried out by a competent contractor, working where appropriate to an approved method statement.
