Stage Two – Award

Section A. Technical Questions

Applicants are required to submit their responses to the following Technical Questions. They should be drafted in such a manner to be able to form part of the Contract. They should be submitted containing sufficient detail to demonstrate that the stated outcomes will be deliverable, as defined within Part 2 Specification.

Responses must be relevant to the question and appropriate in length. Supporting information may be submitted, provided that it is clearly referenced in the question to which it clearly relates and appended to the main submission.

The evaluation of the response will not go beyond the word limit that has been set, if applicable.
