Dear Sirs

**PROPOSED HYDROTHERAPY POOL
AT ELMS BANK SPECIALIST ARTS SCHOOL**

Bury Council is inviting tenders for the above project. The award of the tender will be based upon price. However, the successful contractor will need to meet minimum criteria as set out at Appendices A, B and C of the Contractor Questionnaire (Document R). The minimum criteria include:

- a) The Contractor's head office / local base must be located to enable emergency site attendance within one hour of request
- b) Total turnover of the Contractor over the last two years must exceed £5,000,000.00

(where a contractor does not meet the required turnover, the contractor is to demonstrate their suitability to carry out the proposed scheme by listing all similar projects successfully completed in the last two years).

- c) The Contractor must be able to demonstrate that similar projects have been completed successfully and provide satisfactory client side references relating to the similar projects
- d) The Contractor must be able to evidence an acceptable environmental policy.
- e) The Contractor must be a member of the health & safety umbrella organisation "Safety Schemes In Procurement" (SSIP) eg CHAS
- f) The contractor must carry Employer's and Public Liability Insurance of a minimum £5,000,000

Evaluation of tenders will be based on weightings of 95% and 5% for price and social value respectively
