7. Mental capacity and Child Protection

Mental Capacity and Deprivation of Liberty

Briefly describe what controls are currently in place to assess and support clients who you consider to be, or have been assessed to be, subject to Deprivation of Liberty Standards (DoLS).

Child Protection

Does your service come into direct contact with children under 18? Is there any potential for either staff or clients in your service to come into direct contact with children under 18?

If "yes" to either of these, how are you ensuring that your service is adequately aware of potential risks to children and of child protection reporting practice?
