

## SUPPLIER RESPONSE – PART B – MANDATORY REQUIREMENTS FOR VEHICLES - LARGE TRACTOR

**Strategic Procurement** 

## DN 438190

Author: Strategic Procurement

Version: V1.00

**Date:** 26/11/2019

## **Mandatory Requirements Sections**

Suppliers who self-certify that they meet the requirements for these additional modules will be required to provide evidence of this if they are successful at contract award stage. Please indicate your answer by selecting 'Yes or No' in the relevant boxes.

Please note that all mandatory requirements outlined in this document are pass/fail. If your company is not able to meet any of the mandatory requirement outlined in the boxes below, please do not proceed further with your tender as your response will be rejected.

You may contact the Council for advice through ProContract if you are unsure if your company meets mandatory requirements outlined in this document prior to the submission deadline and in accordance with the procurement timetable.

| A   | Project Specific Mandatory Requirements                                                                                                                                                                                                                                                                                                                                                                                             | Is this project<br>specific mandatory<br>requirement met?<br>Please indicate your<br>response below. |
