

Date: 28/09/2016

Dear Colleague,

Thank you for registering your interest and/or attending the domiciliary care market shaping event on Wednesday 28 September 2016.

The council would like to ensure it receives as much direct feedback from providers as possible, and therefore a short survey that incorporates the questions used at the event is available online here: <http://consult.bracknell-forest.gov.uk/public/ascteam/domcare>. Please use this to provide any comments, views and ideas. The survey will be available for two weeks.

As discussed at the event, the council would like to have further dialogue with those providers who have expertise in delivering outcome based support at home in its various models and also those providers who have concerns either about the tender or the model being developed. If you would like to register your interest for either of these meetings please contact contracts.team@bracknell-forest.gov.uk - with **Consultation Domiciliary Care** as the title of your email, and a member of the team will be in touch with you.

I would like to thank you again for your input so far in this process and look forward to the sector continuing to work together to develop the future model for domiciliary care in Bracknell Forest.

Yours sincerely,

Lynne Lidster

Head of Joint Commissioning

ADULT SOCIAL CARE, HEALTH AND HOUSING
