

## F2.3 REGIONAL LOTS & UPLIFTS

Please confirm which regional lot/s you are bidding for by changing the percentage in the yellow box from 0% to 100% or more. Where your standard pricing applies, set at 100%. Where you apply regional uplifts, adjust accordingly (eg. if you apply a 10% uplift, input 110%). **PLEASE NOTE:** You must set a percentage of 100% or more in every Lot in which you intend to bid, or leave at 0% for a Lot in which you do not intend to bid.

Bidders should complete all sections marked in yellow below.
