

Bikeability training

Clarification Date:
5/4/18

Clarification No.	Section	Issue raised by supplier for clarification	Date raised	Issue responded to by SBC	Date Responded
1	N/A	Can you confirm that the new tender include no TUPE implications?	26/03/2018	We consider that there are no staff in scope to transfer under TUPE	26/03/2018
2	2	Is there a stock of pool bikes that the contractor can take charge of? There was a specific number of bikes mentioned in the last tender, but not explicitly outlined this time.	26/03/2018	There are no pool bikes available from Swindon Borough Council. See Section 2 paragraph 3.8	26/03/2018
3	2	The number of places table states there are 197 funded Level 2 places in 2019-20. However, Level 2 is missing from the pricing spreadsheet? Can you confirm these places are part of the tender and, if so, update the pricing spreadsheet?	04/04/2018	The DfT Bikeability grant award in 2016 was based on our plans for separate Level 1 and 2 training. However we now wish to focus on combined Level 1/2 training in Year 5 or 6. Funds allocated to Level 2 training will be diverted to Level 1/2 training and the pricing schedule reflects this.	05/04/2018
4	N/A	Given that 2018-19 delivery will effectively cover the 6-months from September 2018 – March 2019, will it be possible to carry forward any unused places into Year 2	04/04/2018	All funding for training places is dependent on DfT Bikeability grant availability. A request can be made to DfT to carry forward grant allocation later in the year, but there is no guarantee of success and any bids should not be based on this possibility.	05/04/2018
5	N/A	Can you confirm that there is no charge/admin fee for the Schools?	05/04/2018	No charge or admin fee is currently made to schools for Bikeability training, and there are no plans to introduce such a charge.	05/04/2018
6	N/A	Would Swindon Borough Council be willing to put bidders in touch with local Cycle Instructors who have previously delivered Bikeability work for the Council/other providers	05/04/2018	Swindon Borough Council is not in a position to share personal details of staff or members of the public with potential bidders. Members of the local cycling community may be contacted via the 'Swindon Cycling Campaign' at www.cycleswindon.org.uk or their Facebook page.	05/04/2018
