

# Could you be our next frozen food champion?

Holmeside lodge is a retirement complex that houses up to 45 users at anyone time. We currently offer an onsite catering service that is optional and is being used by 39 users currently. This is prepared from frozen in hot cabinets by the Homegroup onsite chef and served to the clients daily.

### Service required

The supply of a varied menu delivered frozen to the service in a timely fashion to be used to provide catering for the users.

The offer includes currentlydaily:-

- Soup Entrée –One choice
- Main –Two choices
- Potatoe - Two choices
- Vegtable - Two choices
- Pudding - Two choices

These need to changed on a 4 week rational menu.

To be supplied to the service frozen in bulk catering containers, to be heated and divided by the Homegroup onite catering team and served as demand dictates.

Delivery is twice weekly currently but can be discussed further.

Should parties wish to show interest, this woould be based on the following:-

35 Users covers, as above per week, with a tiered pricing scructure to further discount for 40 and 45 users. Price per head x Users.

For cost purposes we will be putting the greatest weigh on the 40 users supply price per head

If awarded will be based on a per head/ on demand ordering service.

to express an interest in working with us please contact me directly on [glenn.towers@homegroup.org.uk](mailto:glenn.towers@homegroup.org.uk) to set up an intial meeting.
