Spending more with our businesses

Spending more with our businesses

STAR Procurement is committed to increasing its public sector partner authorities' spend with Greater Manchester businesses

If you have a presence in Greater Manchester and would like to tender for supplies/services/works contracts with any of our partner authorities, please complete our online Supplier Company Details form **by clicking on this link**. We need to know who you are and what you can do.

With the information you provide, we will be able to notify you of relevant tenders and market engagement events that will be of interest; as well as offer you free training opportunities for enhancing your company's capacity to do business with the public sector
