1. Introduction

The purpose of this questionnaire is to assist the Authority in establishing whether candidates are able to meet the minimum requirements before they are selected and invited to submit their tender. The minimum requirements relating to this procurement are included within the table on the following page. Please refer to Volume 1 of the 'tender pack' which provides further detail for this stage and how potential suppliers will be selected and invited to submit a tender.

Completed questionnaires must be submitted via the Supplying the Southwest Procurement Portal (ProActis) system, using the document return system, and following the instructions within the Volume 1 (Instructions to Tender). We strongly recommend you read this document prior to starting your submission.

Candidates must not submit or refer to any accompanying documents such as company brochures etc. unless explicitly requested. The scoring methods referred to in this SSQ will only be applied to the completed questionnaire and all other documentation will be ignored.

Guidance on uploading documents onto ProContract record can be downloaded via ProContract under the Supplier guidance tab accessible via: <https://www.supplyingthesouthwest.org.uk/>.

2.SSQ Guidance, Completion and Declarations

Potential Supplier Information and Exclusion Grounds: Part 1 and Part 2.

The standard Selection Questionnaire is a self-declaration, made by you (the potential supplier), that you do not meet any of the grounds for exclusion. If there are grounds for exclusion, there is an opportunity to explain the background and any measures you have taken to rectify the situation (we call this self-cleaning).

A completed declaration of Part 1 and Part 2 provides a formal statement that the organisation making the declaration has not breached any of the exclusion grounds. Consequently we require all the organisations that you will rely on to meet the selection criteria to provide a completed Part 1 and Part 2. For example these could be parent companies, affiliates, associates, or essential sub-contractors, if they are relied upon to meet the selection criteria. This means that where you are joining in a group of organisations, including joint ventures and partnerships, each organisation in that group must complete one of these self-declarations. Sub-contractors that you rely on to meet the selection criteria must also complete a self-declaration (although sub-contractors that are not relied upon do not need to complete the self-declaration).

When completed, this form is to be sent back to the contact given in the procurement documents along with the selection information requested in the procurement documentation.

The Authority reserves the right to require the winning Bidder to provide appropriate evidence to support the statements made in this Selection Questionnaire, prior to entering into the contract. If the relevant documentary evidence referred to in the Selection Questionnaire is not provided upon request and without delay we reserve the right to amend the contract award decision and award to the next compliant bidder.

Supplier Selection Questions: Part 3

The section contains further grounds for rejection of a bid using Pass/Fail criteria. Part 3 also asks the additional questions where appropriate which will be evaluated in accordance with the scoring and evaluation methodology stated in Part 3. If you are bidding on behalf of a group (consortium) or you intend to use sub-contractors, you should complete all of the selection questions on behalf of the consortium and/or any sub-contractors providing one composite response and declaration.

Consequences of misrepresentation

If you seriously misrepresent any factual information in filling in the Selection Questionnaire, and so induce the Authority to enter into the contract, there may be significant consequences. You may be excluded from the procurement procedure, and from bidding for other contracts for three years. If the contract has been entered into you may be sued for damages and the contract may be rescinded. If fraud, or fraudulent intent, can be proved, you or your responsible officers may be prosecuted and convicted of the offence of fraud by false representation, and you must be excluded from further procurements for five years.

Notes for completion

1. The “Authority” means West of England Combined Authority.
2. “You”/ “Your”, “Supplier” or “Bidder” means the potential supplier completing this standard Selection Questionnaire **i.e. the legal entity seeking to be invited to the next stage of the procurement process and responsible for the information provided.** The term ‘Supplier’ is intended to cover any economic operator as defined by the Public Contracts Regulations 2015 and could be a registered company; the lead contact for a group of economic operators; charitable organisation; Voluntary Community and Social Enterprise (VCSE); Special Purpose Vehicle; or other form of entity.
3. Please ensure that all questions are completed in full and in the format requested. Failure to do so may result in your submission being disqualified. If the question does not apply to you, please state clearly ‘N/A’.
4. Should you need to provide additional Appendices in response to the questions, these should be numbered clearly and listed as part of your declaration
5. The Authority recognises that arrangements set out in section 1.2 of the standard Selection Questionnaire, in relation to a group of economic operators (for example, a consortium) and/or use of sub-contractors, may be subject to change and will, therefore, not be finalised until a later date. The lead contact should notify the Authority immediately of any change in the proposed arrangements and ensure a completed Part 1 and Part 2 is submitted for any new organisation relied on to meet the selection criteria. The Authority will make a revised assessment of the submission based on the updated information.

6. For Part 1 and Part 2 every organisation that is being relied on to meet the selection must complete and submit the self-declaration.

7. For answers to Part 3 if you are bidding on behalf of a group, for example, a consortium, or you intend to use sub-contractors, you should complete all of the questions on behalf of the consortium and/or any sub-contractors, providing one composite response and declaration.

8. Please upload a completed version of this document via the procurement portal:
www.supplyingthesouthwest.org.uk

Sub-contracting arrangements

9. Where the Supplier proposes to use one or more sub-contractors to deliver some or all of the contract requirements, a separate Appendix should be used to provide details of the proposed bidding model that includes members of the supply chain, the percentage of work being delivered by each sub-contractor and the key contract deliverables each sub-contractor will be responsible for.

10. The Authority recognises that arrangements in relation to sub-contracting may be subject to future change and may not be finalised until a later date. However, Suppliers should be aware that where information provided to the Authority indicates that sub-contractors are to play a significant role in delivering key contract requirements, any changes to those sub-contracting arrangements may affect the ability of the Supplier to proceed with the procurement process or to provide the supplies and/or services required. Suppliers should therefore notify the Authority immediately of any change in the proposed sub-contractor arrangements. The Authority reserves the right to deselect the Supplier prior to any award of contract, based on an assessment of the updated information.

11. Please note that the Authority may require the consortium to assume a specific legal form if awarded the contract, to the extent that a specific legal form is deemed by the Authority as being necessary for the satisfactory performance of the contract.

12. Where you are proposing to create a separate legal entity, such as a Special Purpose Vehicle (SPV), you should provide details of the actual or proposed percentage shareholding of the constituent members within the new legal entity in a separate Appendix.

‘Self-cleaning’

13. Any Supplier that answers ‘Yes’ to questions within part 2 should provide sufficient evidence, in a separate Appendix, that provides a summary of the circumstances and any remedial action that has taken place subsequently and effectively “self-cleans” the situation referred to in that question. The Supplier has to demonstrate it has taken such remedial action, to the satisfaction of the Authority in each case.

If such evidence is considered by the Authority (whose decision will be final) as sufficient, the economic operator concerned shall be allowed to continue in the procurement process.

In order for the evidence referred to above to be sufficient, the Supplier shall, as a minimum, prove that it has;

- paid or undertaken to pay compensation in respect of any damage caused by the criminal offence or misconduct;
- clarified the facts and circumstances in a comprehensive manner by actively collaborating with the investigating authorities; and
- taken concrete technical, organisational and personnel measures that are appropriate to prevent further criminal offences or misconduct.

The measures taken by the Supplier shall be evaluated taking into account the gravity and particular circumstances of the criminal offence or misconduct. Where the measures are considered by the Authority to be insufficient, the Supplier shall be given a statement of the reasons for that decision.

The Authority confirms that it will keep confidential and will not disclose to any third parties any information obtained from a named customer contact, other than to the Cabinet Office and/or contracting authorities defined by the Public Contracts Regulations 2015, or pursuant to an order of the court or demand made by any competent authority or body where the Authority is under a legal or regulatory obligation to make such a disclosure
