

## **Kingston: Independence at Home**

Market Engagement: Service Development

### **PLEASE NOTE UPDATED TIME AND VENUE**

**Tuesday 28<sup>th</sup> February 2017; 13:00 - 15:00; Council Chambers Kingston, KT1 1EU** (see map attached - please report to the reception desk in Guildhall).

Commissioners in Kingston would like to invite Providers to attend a further Provider Engagement event to discuss Kingston's plans for recommissioning Home Care services.

We will use this session to feedback to Providers the results from the soft market test questionnaire circulated following the first event held on 6<sup>th</sup> December 2016 and to explore in more detail key areas of the service we would like to commission.

In particular, we would like to discuss with Providers

- The nature of a capitated payment approach to the service
- What an outcomes model for the service should look like

We are especially keen to look at opportunities to build the workforce capacity we will need, with the right skills that we know are critical to achieving the sort of outcomes we want from this service.

Please note that your attendance will not be viewed as commitment to bid for services and the information we will provide, although useful, will not disadvantage any supplier that is unable to attend.

We hope you are able to join us on the 28<sup>th</sup> February 2017 at the **Council Chambers**, Kingston.

Please register your interest to attend by e-mailing [commissioning@kingston.gov.uk](mailto:commissioning@kingston.gov.uk), confirming number and names of attendees, their position within your organisation and contact details (email address and telephone number) by 15:00 on Monday 20<sup>th</sup> February. If you require any further clarity please send your messages via the London Tenders Portal
