Vehicle Capacity

A minimum seating capacity of 29 is required for this service. School journeys shaded grey require a large single deck vehicle with a minimum of 44 seats.

Passenger and Revenue Information (Does not form part of contract)

This service is currently operated as part of the current C1 service and part of the current D1 service. Contract LB22 is the other part of the D1 service. The information below is taken from information supplied by the current operator of the C1 and D1 routes and should be taken into account if tendering for both LB22 and LB33 contracts.

C1:

Estimated total number of passengers per annum: 130,000

Estimated total on-bus revenue: £37,000

D1:

Estimated total number of passengers per annum: 200,000

Estimated total on-bus revenue: £70,000

NOTE: Due to a change in school times from 2 September 2018, tenderers need to take account of the timetable change from this date.
