

APPENDIX F

SPECIFICATION FOR INSTALLING BENCH SEATS AND BINS

Bins and bench seats are to be installed on a concrete base overlain with paving slabs that are mortared in place to create a firm bond.

The finished surface of paving shall be consistent with surrounding soft and hard surfaces, with no trip hazards and be sufficient to span the required area.

Fix the bench to the base as shown in the document found at:

https://uk.glasdon.com/downloads/instructions/C000-0096%20Seating%20Base%20Fix_A4.pdf

The bins shall installed as detailed in the document found at:

<https://uk.glasdon.com/downloads/instructions/Glasdon-Concrete-and-Paving-Fixing-Instructions-C000-0018.pdf>
