Dear Sirs

Devon and Somerset Standing List of Approved Contractors – Reopening Summer 2018

Devon County Council (DCC) shall be reopening the Devon and Somerset Standing List of Approved Contractors (SLoAC) for Contractors to join in Summer 2018.

The Devon and Somerset Standing List of Approved Contractors (SLoAC) is to provide a set of pre-qualified Contractors to carry out building projects of nominally between £5,000 and £2,000,000 (subject to a set upper limit per contractor based on specified criteria) in any or all of 15 geographic sub areas. There will be a wide number of 'work categories' and Contractors will be invited to apply to be approved to work in one or more of the work areas/categories. This is a reopening of the list which was originally open for applications in October/November 2015 and went live on 1st of April 2016.

Contractors who wish to express an interest in this opportunity are to advise DCC via the www.supplyingthesouthwest.org.uk portal, searching for the following opportunity:

CP1172-15: Devon and Somerset Standing List of Approved Contractors (SLoAC) Summer 2017 Reopening

and subsequently pressing the button

Register interest in this opportunity

Please note that at this stage Contractors are only submitting an "Expression of Interest". The SLoAC will be reopened for new applicants w/c 4th June 2018 when the full suite of documents shall be released via www.supplyingthesouthwest.org.uk

Contractors that are currently appointed to the SLoAC will not need to register an interest.

Yours faithfully

Jon Williams
