

## **Community Development of Parkfield House & Grounds**

### **Indicative Energy Costs of Parkfield House**

To assist partners in their planning, the last 3 years' gas and electricity costs are provided.

#### Electricity

2019/2020	Units – 32319	Cost - £4892.27
2020/2021	Units – 34003	Cost - £5269.12
2021/2022	Units – 36855	Cost - £5977.57

#### Gas

2019/2020	Units – 179759.6	Cost - £5973.29
2020/2021	Units – 160336.2	Cost - £4558.22
2021/2022	Units – 168237.1	Cost - £5411.68

*Partners should be mindful that the building was either partially occupied or empty during this period, and if used to full capacity, consumption may be higher. Since April 2022, energy costs have also risen.*
