

Appendix 2 Kings Ash Road

Scheme name: Kings Ash Road Widening Scheme, Churscombe Cross to Luscombe Lane	
Cost:	£3.5m (contract value)
Date:	2017

Scheme details:

The works to Kings Ash Road, Paignton involved widening a near 1km section of the existing A380 from two to three lanes, with the addition of a new cycle/footway over the majority of its length. As well as large scale earthworks to excavate and dispose of in excess of 35,000m³ of material, the scheme included: utilities diversions, replacing and enlarging an existing signalised junction, installation of surface water drainage and associated attenuation tanks and flow controls, the construction of two large retaining walls using gabion baskets and precast units, carriageway reconstruction and resurfacing, plus carrying out accommodation works for adjoining landowners.
