

The supply and delivery of a 2 ton heavy duty farm/estate trailer

Quotation Request

Gosport Borough Council (GBC) invites you to provide a quotation for the supply and delivery of a 2 ton heavy duty farm/estate tipping trailer, similar to the Flemming TR2 trailer.

Please submit any enquiries and quotes via the South East Business Portal (SEBP) also known as Proactis.

The trailer is to be designed for heavy duty.

- Removable sides
- Gravel swinging door on the rear for gradual empty mode
- 3mm reinforced floor and sides chimes fabricated in once piece for extra strength
- High tip for clean unloading
- Structural steel chassis with 10 x 80 x 12.5 tyres as standard on a 5 stud axle
- 2000kg capacity
- Parking jack as standard

The deadline for quotations to be submitted is 4th December 2020

Goods to be delivered by the 18th December 2020
