

Cheadle Heath Sports Area – Expression of Interest

Design Brief

Stockport Metropolitan Borough Council is seeking to appoint a suitably qualified service provider to deliver the design, supply, and installation of a new multi use games area (MUGA) at Cheadle Heath Park - Stockport SK3 0JA

The new sports area will be created on an existing hard surface area.

The maximum available space will be 28.1 x 43.9 metres (1230 square metres)

Site Address – Cheadle Heath, Stockport. SK3 0JA

Requirements:

Designers will be given the freedom to layout the new multi use sports facility in the way that makes the most of the existing footprint.

The works required will include;

- Supply and Install of sports fencing and sports goal ends/provision certified to current British Standard BS EN 15312.
- Sport fencing must have proven and effective **noise deadening system**.
- Site preparation works including the removal of existing low walls and fencing.
- Supply and lay of a new sports surface and drainage works.
- Willingness and ability to engage with stakeholders.
- Must be able to complete the works before March 2021.
