1 Procurement Information

1.1 Background Information

Location

The site is located to the East of Torquay on Beach Road in Babbacombe. This is the only route to Babbacombe Beach, and the road is narrow with passing places and unusually steep, with gradients up to 1 in 4 in places. Beach Road is a cul-de-sac and is accessed via Babbacombe Downs Road. The road serves several private dwellings as well as the Cary Arms Hotel, and Babbacombe Beach. There is a small car park at the end of the road at the back of the beach.

The road is bordered by steep slopes and retaining walls on both sides, with woodland and private gardens. There are several pedestrian routes through the woodland to access the beach. The South West Coast path passes through the bottom section of Beach Road, and the area is popular with walkers.

Brief Description of Works

The existing retaining wall on the lower section of Beach Road is slipping down the coastal slope, which in turn is causing the carriageway to fail. There is currently a 3T weight limit on the road as a result. Therefore a new retaining structure is required to stop the road collapsing.

The works comprise of piling into the existing carriageway behind the existing wall, and installing ground anchors to tie the piles back to stable ground. A new parapet wall is to be constructed along the top of the piled wall. A new kerb line is to be laid behind the new wall and the carriageway resurfaced.

There are services in the existing road, some of which possibly cross the line of the new piled wall, and these will need to be diverted, or abandoned if they clash with the works.

As there is movement in the current retaining structure there are limits to the weight of plant that can be used on site. The movement of the structure will be monitored, and if excessive further movement is detected during the scheme it is possible that works will have to be suspended until the works can continue safely.

1.2 Minimum Requirements

Applicants must be able to demonstrate they will meet any Minimum Requirements set out in Part 2 Specification for the whole term of this Contract.

1.3 Contract Period

It is anticipated that the Contract will be awarded on 28th October 2020. The works are expected to start on site on 9th November 2020, and be completed by 12th February 2021. The Contract may be extended until the end of the allocated budget, subject to termination clauses within Terms and Conditions of Contract and as provided for in *72 Modification of contracts during their term* of the Public Contracts Regulations 2015.

1.4 Division of Contract into Lots

This Contract is not being divided into Lots. This is because it is not practical due to the nature of the Contract.

1.5 Contract Price

The price offered by the Applicant in Part 5 Schedule of Rates must be firm and fixed for the duration of the Contract. The schedule in Part 5 Schedule of Rates has been structured to enable pricing to be provided for the whole life of the Contract. Therefore no further price reviews will be available.

1.6 Procurement Timetable

Torbay Council proposes the following timetable for the award of the Contract:

Procurement Stage	Dates

2 Procurement Process

2.2 Procurement Procedure

This procurement is being undertaken following a Further Competition process in accordance with the Directive (2014/24/EU) and implemented in the United Kingdom by the Public Contracts Regulations 2015 (SI 2015/102).

Torbay Council awarded a Framework Agreement called Framework for Rock Face Stabilisation Works T00316CCS on 1 September 2016.

2.3 Award

Torbay Council will only evaluate the Tender submissions of those Applicants who meet any Mandatory Pass/Fail requirements.

Applicants are required to complete and submit Part 4 Award Questionnaire, Part 5 Schedule of Rates and Part 6 Certificates and Declarations.

The Applicant's response will be evaluated in accordance with the scoring methodology set out in section 2.3.1 below.

2.3.1 Award Evaluation

The Award criteria have been designed to assess the Most Economically Advantageous Tender (MEAT), on a price only basis. The top scoring Applicant will be considered to have been successful.

Please Note: All percentage scores will be calculated to two decimal places.

Applicants are advised to ensure they have read and fully understand the criteria below, which will be used in the evaluation process:

Stage Two Award	Evaluation Criteria	Main Criteria	Sub-Criteria	Threshold
Part 4 Award Questionnaire and Part 5 Schedule of Rates				
Mandatory Criteria	<p>The questions within this section will be assessed on the basis of pass or fail.</p> <p>Torbay Council may exclude any Applicant who fails this section.</p>	Pass		Pass
Total Score Available (MEAT)		100%		
Price				
Pricing	<p>Applicants are to complete Part 5 Schedule of Rates in full. The figure that will be used for evaluation purposes will be in cell F23 in the Grand Summary worksheet.</p> <p>The questions within this section will be assessed on the comparative scoring basis.</p>	100.00%		

2.4 Scoring Methodology

Responses will be assessed using one, some or all of the following methods:

2.4.1 Pass/Fail

Evaluation criteria assessed on a pass/fail basis are those where meeting the requirement is essential to Applicant's ability to deliver the Contract. They will usually relate to questions where a Yes or No response can be provided. The ability to meet the requirement will achieve a Pass and the Applicant will achieve a fail where they are unable to meet the requirement.

Where an Applicant fails one or more Pass/Fail questions they will be deselected from participating further in the process and will be notified accordingly.

The question will also set out how the Applicant should evidence their ability to meet the requirement, this will be either:

- within their responses to the Award questions; or
- during due diligence prior to contract award.

If the Applicant does not evidence ability to meet the requirement the response will be considered to be a fail and the Applicant will be deselected from participating further in the process and will be notified accordingly.

2.4.2 Zero to Five Scoring

Evaluation criteria assessed on a scoring basis will be evaluated using the zero to five scoring system in the table below.

Score 5	Excellent	Exceeds the requirement. Exceptional demonstration by the Applicant of the relevant ability, understanding, experience, skills, resource & quality measures required to deliver the Contract. Response identifies factors that will offer significant added value and/or innovation, with evidence to support the response.
Score 4	Good	Satisfies the requirement with minor additional benefits. Above average demonstration by the Applicant of the relevant ability, understanding, experience, skills, resource & quality measures required to deliver the Contract. Response identifies factors that will offer potential added value, with evidence to support the response.
Score 3	Acceptable	Satisfies the requirement. Adequate demonstration by the Applicant of the relevant ability, understanding, experience, skills, resource & quality measures required to deliver the Contract, with sufficient evidence to support the response.
Score 2	Minor Reservations	Minor reservations on the Applicant's ability to satisfy the requirement. Some minor reservations of the Applicant's relevant ability, understanding, experience, skills, resource & quality measures required to deliver the Contract, with little or no evidence to support the response.

Score 1	Serious Reservations	Major reservations on the Applicant's ability to satisfy the requirement. Considerable reservations of the Applicant's relevant ability, understanding, experience, skills, resource & quality measures required to deliver the Contract, with little or no evidence to support the response.
Score 0	Unacceptable	Does not meet the requirement. Does not comply and/or insufficient information provided to demonstrate that the Applicant has the ability, understanding, experience, skills, resource & quality measures required to deliver the Contract, with little or no evidence to support the response.

The scoring system is based on the Applicant's ability to fully satisfy the requirement and provide sufficient evidence to support their response.

Where an Applicant's response is considered to have achieved a score of three, a further assessment will be made to determine whether the response has met the criteria required for a score of four or five to be awarded.

Please Note: Where an Applicant's response is considered not to satisfy the requirement and/or adequately demonstrate the ability to deliver the Contract the maximum score achievable will be two, regardless of whether the Applicant exceeds the requirement in relation to some aspects of their response.

The scoring system awards the highest marks to those Applicants who, in addition to fully satisfying the requirement, demonstrate to a high level they have the relevant ability, understanding, experience, skills, resources and quality measures in place and/or offer added value or innovative solutions.

Scoring Example:

Applicant	Assessment	Score
Applicant A	Fully satisfies the requirement and provides sufficient evidence to demonstrate their ability to deliver the contract	3
Applicant B	Fully satisfies the requirement, provides sufficient evidence to demonstrate their ability to deliver the contract and offers some potential added value.	4
Applicant C	Only meets some of the requirements, provides adequate evidence to demonstrate their ability to meet those requirements satisfied within the response and offers some added value and innovation in relation to aspects of their offer.	2
Applicant D	The Applicant says they fully satisfy the requirement, but provides insufficient evidence to demonstrate relevant ability, understanding, experience, skills, resource & quality measures required to deliver the Contract.	2

2.4.3 Comparative Scoring

Evaluation criteria assessed on a comparative basis are those where the Applicant's response can be compared to that of other Applicants, for example in relation to Pricing criteria:

- Price: Applicants offering the lowest price will score maximum marks out of a possible 100 and Applicants submitting higher prices will be awarded marks proportionate to their distance from the lowest price.

Scoring Example:

$$\frac{\text{Lowest Price}}{\text{Applicant's Price}} \times \text{Available Marks} = \text{Score}$$

Lowest Price: £1,000,000		Criteria: 60.00%
Applicant	Price	Score
Applicant A	£1,000,000	60.00%
Applicant B	£1,100,000	54.55%
Applicant C	£1,273,050	47.13%
Applicant D	£1,899,999	31.58%

Please Note: Failure to respond to post tender clarification questions in a timely manner may result in the Applicant's Tender being rejected.

Where an Applicant identifies an error or omission within the Documents they should immediately notify Torbay Council through ProContract. Torbay Council will then rectify the error or omission and issue any amended Documents.

Any Documents considered by Torbay Council to be of a confidential nature will not be made publicly available. Applicants are responsible for ensuring that confidential Documents are treated as such, are used only for the purposes of this tender and are not disclosed in whole or part to any 3rd party without Torbay Council's prior written consent.

Applicants can access confidential Documents by completing and submitting the Confidentiality Agreement through the ProContract Messaging Facility.

Torbay Council may reproduce the whole or any portion of submitted Tenders for the purpose of tender evaluation.

3.7 Preparation and Completion of Tenders

Applicants are responsible for meeting any costs, expenses or liabilities incurred in connection with this process, including if it is terminated or amended by Torbay Council. Please Note: Failure to complete or submit any of the Documents in accordance with Torbay Council's requirements may result in the Tender being rejected.

As arrangements relating to consortium bids or sub-contracting may change Applicants should respond on the basis of the arrangements envisaged at the time the Tender is submitted. Torbay Council must be notified immediately of any changes or proposed changes in relation to the bidding model, so that a further assessment against the selection criteria can be made. Torbay Council reserves the right to deselect the Applicant prior to any award of contract, based on an assessment of the updated information.

Where the Applicant is relying on the capacity of a consortium member or sub-contractor and that organisation does not meet any relevant selection criteria Torbay Council reserves the right to require the Applicant to replace the organisation with an alternative.

Before submitting any documentation, Applicants need to understand the nature of Torbay Council's transparency commitments for tenders and contracts and the scope of Torbay Council's ability to withhold material. Where an Applicant decides not to submit a Tender Torbay Council requests that the Applicant formally 'Opts Out' through ProContract, giving the reasons for non-submission. Torbay Council may contact Applicants who have expressed an interest but have not submitted a Tender, in order to understand their reasons for non-submission.

An Applicant's submitted Tender will constitute an irrevocable offer to provide the required goods, services or works.
