## Introduction

---

### Purpose

The purpose of this document is to provide instructions on the response to the Invitation to Tender ("ITT"), known as "Tender"

The Tender enables Dorset Council to receive sufficient information from Organisations ("Tenderers") interested in supplying the required Goods, Services or Works and to allow: a) both the assessment of their capacity and suitability, and b) enable the Council to evaluate the Tenders submitted to find the most suitable Tenderer who can meet the Specification and provide competitiveness of price.

The Tender has been issued by Dorset Council in connection with a competitive procurement in accordance with the Open Procedure under the Public Contract Regulations 2015 ("the Regulations").

**Title of Tender Opportunity:** Dorset Special Educational Needs and Disabilities Information, Advice and Support Service (SENDIASS)

### Project Scope:

Dorset Council is seeking tenders from capable service providers for a Dorset Special Educational Needs and Disabilities Information, Advice and Support Service (SENDIASS)

Dorset Council currently fulfil the statutory responsibility to provide specific information, advice and support (IAS) for special educational needs and disability (SEND) through our in-house SENDIASS. This is a free, impartial service for children and young people aged 0 to 25 years who have SEND, and their parents and carers.

Dorset Council are seeking an external provider to deliver SENDIASS to ensure impartiality, compliance and effective service delivery.

Dorset SENDIASS is part of the national network of SENDIASS organisations. It's overseen by a steering group made up of key stakeholders and is expected to meet the requirements of Children and Families Act 2014, the SEND regulations, minimum standards for IASS 2018 and the SEND Code of Practice 2015.

The longer-term vision for children and young people in Dorset is detailed in the Children, Young People and Families Plan 2020 to 2023.

### Annual Contract Price

The Annual Contract Value must not exceed £170,850.00 and any Tenders above this figure will be non-compliant and will result in a failed Tender. However, Tenderers are free to submit a Tender below this maximum annual total allowed providing they are satisfied this will meet the requirements of the service specification.

### Pension Risk Share

Refer to page 15 of the Procurement Document for further details.

The pension risk sharing arrangements are outlined in Appendix A - Pension Risk Sharing Arrangements.

### **General Data Protection Regulation 2018**

Where the services require the successful Tenderer to process personal data, the contract will be subject to the General Data Protection Regulation (GDPR) which came into effect on 25 May 2018.

The GDPR aims to protect the privacy of all EU citizens and prevent data breaches. It will apply to any public or private organisation processing personal data.

The successful Tenderer will be familiar with the new legislation and their obligations as a data processor and will have all necessary systems and processes in place to ensure compliance. Guidance from the Information Commissioner's Offices is available here:

<https://ico.org.uk/for-organisations/guide-to-the-general-data-protection-regulation-gdpr>

If the service relates to high risk processing, the Council may be required to conduct a Data Protection Impact Assessment after contract award but prior to any processing take place. The successful Tenderer will co-operate with this process as required.

The Council will liaise with the winning Tenderer to complete the data processing schedule which will form part of the contract entered into.

## Notes for Completion

- 1.4. **'Contract'** means the written agreement between the Council or Contracting Body consisting of the clauses within the terms and conditions of contract and the Order;
- 1.5. **"e-tender system"** means the electronic tender system named Pro-Contract. It is provided by Proactis and is hosted via <http://www.supplyingthesouthwest.org.uk>
- 1.6. **'Invitation to Tender'** means the Tender process and all its components, inviting tenders for inclusion within a Contract.
- 1.7. **'Offer'** means the offer made by the Tenderer in relation to a Proposed Contract;
- 1.8. **'Specification'** means the scope of the Goods, Services or Works to be provided pursuant to a Contract;
- 1.9. **'Tenderer or Tenderers'** means a Contractor submitting a tender to the Council for inclusion on a Contract;

### 2. E-Tender System

- 2.1. Assistance in relation to the e-tender system is available to Tenderers via the Supplier Help Icon within the system.
- 2.2. Supplier Guidance documents are also available to view and download.

### 3. To View this Opportunity

- 3.1. To view the Tender (ITT) Information in detail click on the opportunity title within 'My activities' section. Click start, you can now view all the documents relevant to that opportunity.

### 4. Register Intent

- 4.1. Tenderers are able to click on "Register Intent" which will inform the Council of your intention to respond to this opportunity.
- 4.2. If a Tenderer does not wish to or is unable to submit a Tender and not interested in proceeding, then they are required to click on 'No longer wish to respond' to decline the opportunity.

### 5. Response Wizard

- 5.1. After registering intent, Tenderers may then proceed to respond to the on-line questions.
- 5.2. To start the response Tenderers are required to click 'Start My Response'.

**6. Not used**

**7. Confidentiality**

- 7.1. This Tender process, including all documentation, must be treated as private and confidential. Tenderers must not disclose the fact that they have been invited to complete a Tender or release its details other than on an 'In Confidence' basis to those whom they need to consult for the purpose of preparing the Tender response, such as professional advisors or partner organisations for joint applications or consortia partners.
- 7.2. The Tender shall not be canvassed for acceptance or discussed with the media, any other Organisation, member/officer of Dorset Council, or their representatives.

**8. Preparation of Tender**

- 8.1. If the Council issues an amendment to the original Tender process, and if it regards that amendment as significant, an extension of the closing date may, at the discretion, of the Council be given to all Tenderers.
- 8.2. Tenderers must obtain for themselves all information necessary for the preparation of their Tender response and all costs, expenses and liabilities incurred by the Tender in connection with the preparation and submission of the Tender shall be borne by the Tenderer, whether or not their bid is successful.
- 8.3. Information supplied to the Tenderer by Council staff or contained in Council publications is supplied only for general guidance in the preparation of the Tender.
- 8.4. Tenderers must satisfy themselves as to the accuracy of any such information and no responsibility is accepted by the Council for any loss or damage of whatever kind and howsoever caused arising from the use by Tenderers of such information.
- 8.5. Responses to each Tender question should be written concisely and clearly answering the question posed in English.

**9. Communication**

- 9.1. All contact during this procurement should be submitted in writing through the e-tender system.
- 9.2. Tenderers should seek to clarify any points of doubt or difficulty via the e-tender system within 7 working days before the closing date of the Tender **Friday 13<sup>th</sup> August 2021 at 14:00hrs**, to enable to the Council to respond to all Tenderers. It is not acceptable for Tenderers to seek clarifications via telephone or e-mail outside of the e-tender system.
- 9.3. Where the Council considers any question or request for clarification to be of material significance it may communicate both the query and the response, in a suitably anonymous form, to all interested parties. Tenderers should therefore not include within the question placed their organisation's name and any potentially commercially sensitive information.

**10. Price Schedule(s)**

- 10.1. The Council requires Tenderers to complete and upload Price Schedule(s) where requested to do so within the e-tender system.

**11. Other Documents or Supporting Evidence**

- 11.1. As instructed to do so within the e-tender system, the Tenderer must complete and upload other documentation that may be provided with this Tender process, or upload evidence to support their Tender submission.

## 12. Submission of Tender

- 12.1. Tenderers are required to submit their Tender within the e-tender system **by Wednesday 25<sup>th</sup> August 2021 at 14:00hrs.**
- 12.2. Tenderers are advised to allow sufficient time to complete questions and upload documentation to the e-tender system, where requested to do so.
- 12.3. **It is the Tenderer's responsibility to ensure that the Tender is submitted within the e-tender system by the closing date and time.**
- 12.4. **Failure** to answer and complete the Tender within the e-tender system will result in the Council rejecting the Tender as a Fail / Non-compliant bid.
- 12.5. **Failure** to complete and upload any required documentation within the e-tender system will result in the Council rejecting the Tender as a Fail / Non-compliant bid.
- 12.6. **Late Tender Submissions:** Tenders received after the closing date will not be considered.
- 12.7. The Council is under no obligation to consider partial submissions.
- 12.8. The information supplied in response to the Tender will be checked for completeness and compliance before responses are evaluated. The Council expressly reserves the right to require a Tenderer to provide additional information supplementing or clarifying any of the information provided in response to the requests set out in the Tender. However, the Council is not obliged to make such requests.

## 13. Award Process

*In this section "Regulation" or "Regulations" means The Public Contract Regulations 2015.*

- 13.1. The Council anticipates making an award for the Contract within 30 days of the closing date for the submission of tenders. The Council may, if necessary, at its discretion, extend the period for completing the award process.
  - 13.1.1. Tenderers should note that the Council reserves the right to terminate this tender procedure without any decision to award.
- 13.2. The decision to award will be on the basis of the criteria as specified in this Procurement Document and in accordance with the Regulations.
- 13.3. Once the Council has decided on the award of the Contract all Tenderer(s) will receive an award decision notice in writing pursuant to Regulation 55.
- 13.4. The Council will apply a 10-day standstill period in accordance with Regulation 87.
- 13.5. The standstill period applies from the date the Council issues, by electronic means, to all Tenderer(s) the award decision notice which will set out:
  - 13.5.1. the criteria for the award of the contract;
  - 13.5.2. the reasons for the decision including the characteristics and relative advantages of the successful tender and the scores of the addressee's tender and the winning tender;
  - 13.5.3. a precise statement of when the standstill period is expected to end.
- 13.6. The purpose of the standstill period is to enable Tenderers to review and digest the decision, and if required to seek further debrief material. Such requests should be made via the e-tender system.
- 13.7. The Council has a duty to comply with the Regulations and the enforcement of an actionable breach of this duty shall be through High Court proceedings in accordance with Regulation 91. Chapter 6 – Regulations 88 to 104 further refers.
  - 13.7.1. If court proceedings are not commenced during the standstill period, the Council will enter into the contract at the end of the standstill period.

- 13.7.2. If court proceedings are commenced during the standstill period, the contract-making shall automatically be suspended in accordance with Regulation 95.
- 13.7.3. Legal communication in respect of a challenge to an award decision shall be addressed to the Head of Legal Services, Dorset Council, County Hall, Colliton Park, Dorchester, DT1 1XJ.
- 13.8. Upon acceptance of award, the Contract shall be deemed entered into and become binding on the successful Tenderer and the Council. The Tenderer shall, upon request of the Council, execute the formal Contract in the form contained in this Tender document.
- 13.8.1. Tenderers must not undertake work without written notification that they have been awarded the Contract and are required to start work.
- 13.9. Tenderers should also note that, should they be successful, the Council reserves the right to terminate the Contract, if at any time it is discovered that the Tenderer made any material misrepresentation and/or failed to notify the Council of any material changes in relation to the information provided in their Tender submission.

#### **14. Whistleblowing Policy and Procedure**

- 14.1. This policy describes the Council's commitment to supporting and protecting whistleblowers. It not only applies to council employees but also applies to supplies.
- 14.2. For details of the policy:

## Evaluation and Award

---

### 1 Evaluation

- 1.1 Evaluations will be undertaken by officers of the Council who will follow a systematic and comprehensive process in accordance with the Council's procedures.
- 1.2 Tenders will be evaluated to find the most suitable Tenderer who can meet the Specification and provide competitiveness of price.
- 1.3 Submitted Tender responses will be evaluated by officers of the Council using the award criteria and weightings.

### 2 Award Criteria and Weightings

- 2.1 Tenderer's completion of the On-Line Questions will give the award score in terms of Quality. Such questions shall include, but are not limited to, questions in relation to company policies, accreditations and memberships, and specific questions to technical abilities in terms of contract delivery / performance in relation to the goods and services being tendered.
- 2.2 Tenderer's completion of the Price Schedule will give the award score in terms of Price.

#### 2.3 Table: Award Criteria and Weightings

AWARD CRITERIA & WEIGHTINGS	
<b>Price</b>	<p>35%</p> <p>Option A - 5-year Total Cost Option B - 7-year Total Cost</p> <p><b>Annual Contract Price</b> The Annual Contract Value must not exceed £170,850.00 and any Tenders above this figure will be non-compliant and will result in a failed Tender. <b>Social Value</b>	<p>5%</p> <p><b><u>Minimum Evaluation Score</u></b></p> <p>The question below has a minimum score set of 1 – Basic. <b>Evaluation Scoring</b>	<p>The on-line questions within the e-tender system must be completed by Tenderers and where requested to do so, Tenderers must attach required documentation.</p> <p><b>Quality Scoring and Social Value Scoring</b></p> <p><b>Minimum Evaluation Score</b></p> <p>Where any evaluation question has a minimum score threshold for award, a Tenderer must achieve the relevant minimum score threshold stated in respect of each and every one of the relevant questions. The Council shall reject Tenders that do not meet one or more of the minimum score thresholds.</p> <p>Where responses to questions are to be scored, the following are applied by Evaluators against Tenderer’s submitted responses: -</p>																												

	<p><b>5 - Excellent</b> Comprehensive and detailed response that provides high levels of confidence that the required service and delivery will be achieved. Demonstrates excellent understanding of the specification and contract requirements.</p> <p><b>3 - Good</b> Response addresses key issues and is adequately developed. Provides good levels of confidence that the required service and delivery will be achieved. Demonstrates good understanding of the specification and contract requirements.</p> <p><b>1 - Basic</b> Response addresses a limited range of issues and is basically developed. Provides only limited levels of confidence that the required service and delivery will be achieved. Demonstrates only a basic understanding of the specification and contract requirements.</p> <p><b>0 - Unacceptable</b> No response or response fails to address issues and is poorly developed. Provides little or no confidence that the required service and delivery will be achieved. Demonstrates little or no understanding of the specification and contract requirements.</p> <p>All the individual questions are mandatory therefore Tenderers are required to submit a response. Failure to complete the on-line questions will result in a Fail as Evaluators will not be able to evaluate fully the submitted Tender.</p> <p><b>Pass / Fail:</b> Where sections or questions have the criteria as a Pass or Fail, it will be clearly stated as such. Section or questions scored as a Fail will result in the Tender being disqualified.</p> <p><b>Price Evaluations:</b> The scoring is carried out within an Excel spreadsheet outside of the e-tender system.</p> <p>The equations used outside of the system to reach the score between 0 – 5 are as follows: (for purposes of explanation, the outcome of each calculation is show below as sum A, sum B, etc.)</p> <p><u>Stage 1</u> All price bids are compared against lowest bid to reach percentage difference from lowest bid. <i>Equation: <math>\text{price bid} - \text{lowest bid} / \text{lowest bid} * 100 = \text{Sum A}</math></i></p> <p><u>Stage 2</u> Sum A is then shown as % different from 100 <i>Equation: <math>100 - \text{Sum A} = \text{Sum B}</math></i></p> <p><u>Stage 3</u> Sum B is then divided by 100 to show it as a figure <i>Equation: <math>\text{Sum B} / 100 = \text{Sum C}</math></i></p>
--	--

	<p><b>Stage 4</b> Sum C is then multiplied by the maximum score of 5 to reach the final score <i>Equation: Sum C * 5</i></p> <p>The final score is then entered into the Score Card and will be within 2 x decimal places, e.g., 3.50. No minus scores can be entered into the Score Card therefore any minus scores will be entered as 0.</p> <p><b>Note:</b> As this tender is being offered on an Option A or Option B basis the price evaluation will be undertaken for each option separately.</p> <p>To support submitted price schedules, Tenderers are required to provide a detailed summary to support the pricing proposal that identifies and explains the assumptions and rationale for the resources allocated to successfully support the delivery of services. This to identify how the price build of the proposal is related to the cost elements of the service model, to enable an understanding of how it has been developed.</p> <p>In the event that the same Tenderer has the highest evaluation score based on the full criteria for both options (as submitted the same pricing for the 5 and 7 year contract period), the Council would consider both options and recommend that the 7 year contract be awarded as this would be best value for the Council.</p> <p>In the event that different Tenderers have the highest evaluation score based on the full criteria for Option A and Option B, the Council would consider both options and recommend that the Tenderer who has the lowest average price over the 5 year or 7 year term will be awarded the contract as this would be best value for the Council.</p>
<p><b>Evaluation Weightings</b></p>	<p>Within a Score Card all weightings are allowed a maximum of 100 and based on percentages. This applies to a single weighting of an overall question template, section or question.</p> <p><i>For example:</i> Score Card with four sections Four sections totalling 25 points each = 100 for the whole evaluation Each question in a section totalling 20 points each = 100 for that section</p> <p>An evaluation has a maximum score of 5. The evaluation is based on the average score to reach the % out of 100. Examples: An average score of 5 would attain 100%; an average score of 1 would attain 20%.</p> <p>When evaluating weightings are applied first to the questions, and then the results of those weightings are applied to those of the sections. If scored 100% for the questions in a section, that result would be multiplied against the section's weight. So, 100% of a section with a weight of 100 would be 100% of the</p>

	evaluation – however, 100% of a section with a weight of 10 would only account for 10% of the evaluation in relative terms.

### 3 Financial Evaluation

- 3.1 The extent of the Financial Evaluation will depend on the value and strategic importance of the contract, whether a Public Contract or individual Call-Off Contracts from a Framework Agreement. The objectives of undertaking Tenderer's financial assessment as part of a procurement exercise are to:
- Assess the risk to public sector business and/or public money which would result if a Tenderer bidding for a contract were to go out of business, or have inadequate financial resources to perform the contract; and
  - When justified, eliminate from the procurement any Tenderer whose current financial capacity would pose an unacceptable risk to business and/or public money.
- 3.2 Financial evaluation will be a combination of both financial and non-financial factors and will consider:
- Applicant Acceptability - status of a Tenderer in relation to the requirements of Regulation 57 and 58 of the Public Contracts Regulations 2015.
- 3.3 Economic and Financial Standing
- 3.4 A Tender will be deemed to be a higher risk if the Tenderer appears to be an unrealistic candidate where the contract value represents a disproportionate volume of the Tenderer's business taking into account the nature, timescales, value and risk of the contract.
- 3.5 The review of the financial health of a Tenderer may include, but not be limited to, the following checks:
- General review of Financial Statements.
  - Review of ratios as appropriate, such as the areas of Financial Structure (such as liquidity and gearing), Operating Performance (such as efficiency, profitability, and working capital), and Investment.
  - A credit rating check.
  - Review for unusual accounting policies
  - Review for major business restructuring.
  - Review of Audit Opinion.
- 3.6 It is emphasised that financial standing is only a part of the overall selection criteria.

### 4 Procurement Timetable

- 4.1 The indicative timetable for this procurement is set out below. This is intended as a guide and, whilst the Council does not intend to depart from the timetable, it reserves the right to do so at any time.

## TUPE Information

---

The Council envisages, should TUPE apply, that employees working on the services will transfer to the successful tenderer or its subcontractors under the Transfer of Undertakings (Protection of Employment) Regulations 2006 (TUPE) along with the services. These employees are currently employed by:

Dorset Council

A provisional list of the transferring employees is contained in the following:

Attachment File Name
Employment Rights of Transfer of an Undertaking (TUPE) SENDIASS

Tenderers are advised to seek their own independent advice as to the application or otherwise of TUPE to this tender.

Should TUPE be considered to apply, Tenderers' pricing models must include the costs associated with the TUPE transfer of these employees. The Council will not be liable for TUPE costs should a tenderer fail to take them into account when tendering. If the costs associated with a TUPE transfer (including pensions costs) are subsequently found to be lower than envisaged the successful Tenderer will make a corresponding reduction in the Contract price.

A guide to the TUPE Regulations can be found at:

<https://www.gov.uk/government/publications/tupe-a-guide-to-the-2006-regulations>

Should the Contract be re-tendered in future, the contractor will provide up to date information on employees employed on this Contract which the Council will pass on to any organisation wishing to tender.

### Pension requirements

In accordance with the Best Value Authorities Staff Transfer (Pensions) Direction 2007, it is a condition of the contract between the Council and the successful tenderer that the new employer offers Local Government Pension Scheme members, or those eligible to be members at the date of transfer of membership, of either:

- The Local Government Pension Scheme (LGPS) through the new employer becoming an admitted body to the LGPS and paying the requisite contributions or
- An alternative pension scheme which has been certified by the Government Actuary's Department (GAD) as broadly comparable to the LGPS.

If the new employer wishes to become an admitted body, the parties and the administering authority for the LGPS will enter into an admission agreement in a form to be produced by the Council prior to entering into the Contract.

The employer's contribution rate for the transferring employees will be set by the Actuary. The rate will be reassessed at the time of contract award.

The new employer should note that it is required to carry out a risk assessment, on actuarial advice and to the satisfaction of the Council, of the level of risk arising on premature termination of the contract by reason of its insolvency, winding up or liquidation. The successful Tenderer will be required to pay the Dorset Pension Fund actuarial and legal costs. Information on the legal and actuarial costs can be found in the information sheet – LGPS – Cost of Setting Up An Admission Agreement

**Tenderers are referred to the document entitled Pension Risk Sharing Arrangements for the SENDIASS Tender at Appendix A for further detail on pensions.**

Tenderers are advised to seek their own independent advice as to the pensions implications of this Tender.
