Welcome to Supplying the South West Portal

This portal provides a user friendly, intuitive process to advertise all open tenders and quotation opportunities for councils in the South West. The procurement portal is FREE to join for businesses and offers the following advantages:-

- Immediate access to current business opportunities
- Receive email notifications on business opportunities that are align with your company
- Reduces costs as the process is online
- You are in control of your tender submission and not reliant on a third party courier or postal service
- Submissions can be completed electronically rather than hand written
- Submissions can be amended up until the closing date and time

Register now >

Once your company has registered you need to add the domain **@due-north.com** to your safe senders list to ensure that you receive all email alerts

CP2221-22 Future Farming Resilience Scale Up Phase 2022

Main contract details

Opportunity Id DN6172373
Title CP2221-22 Future Farming Resilience Scale Up Phase 2022
Categories 73000000-2 - Research and development services and related consultancy services
Description Great opportunity for trusted local advisors. The Future Farming Resilience programme will cover the Great South West Geographical area of Devon, Somerset, Dorset and Cornwall. This procurement will seek to contract organisations that can support the delivery of this work across the geographical area. It is anticipated that multiple providers will be procured to deliver this activity and they will be overseen by the lead delivery contractor (who will be appointed)
