

Follow our Forest Code
Please protect our site, wildlife and other visitors:

- Enjoy the views, walks and other activities, and enjoy playing in the woods. When you have finished exploring, please leave the fallen leaves, sticks, and logs where you found them for the wildlife to live in.
- Please clean up after your dog! Free bags are available from Reception. Please take all of your dog's mess and other litter to the bins provided, or take it home.
- You are welcome to take hedgerow fruits but please leave some for the wildlife.
- We welcome well-behaved dogs but please keep them on leads on and around surfaced paths, play areas, ponds and picnic areas. On the rest of the site, dogs must be under close control: this means within sight and returning to heel when called.
- Recycle, compost or re-use your litter where possible.

Buildings, surfaced trails and some play equipment are fully accessible. Mobility scooters available.

Fire Warning
Do not light fires on site, or drop cigarette ends.

14 Fishing
Fishing day tickets and dedicated parking available.

15 Meadow
Enjoy traditional sights, smells and sounds of a meadow with moles, voles, birds and butterflies.

16 The Glade
A woodland setting for weddings, concerts and festivals with wooden gazebo, marquee and fully equipped stage.

13 Poplar Plantation
See how fast they grow! These Beaupre Poplar trees were planted in 1996.

12 Quiet Zone
Try out your map reading and bird spotting skills in the peaceful corners away from the action.

11 Bluebell Memorial Woods
Maintained by Friends of Rosliston Wood.

10 Fox Covert
A quiet place to listen to birds and look for wildlife. Please leave the log piles undisturbed for the minibeasts.

9 Natural Play Area
Use your imagination and create your own games using the natural environment.

8 Snowdrop Wood
Maintained by Friends of Rosliston Wood.

7 Forest Lodges
Six fully accessible luxury timber lodges available for hire. For further details: www.roslistonforestlodges.co.uk

6 Wildlife & Sensory Gardens
Enjoy the colours, perfumes and shapes. Maintained by volunteers. BBQ available for hire. Herbie - our herb man garden with herbs from head to toe.

- 1 Combat Wood**
Woodland laser combat area. A great fun activity for parties, corporate events and drop-in sessions.
- 2 Wild and Woody Trail**
Spot the woodland wildlife sculptures created in 2011 along our Walk4Life mile.
- 3 Crazy Golf**
Open all year. Pay at reception.
- 4 Tree Trail**
Tree facts, myths and legends.
- 5 The Paddock**
Archery, birds of prey and laser clay. Sessions suitable for parties and corporate events.

Environmental Education Project
School Visits Enjoy a wide range of curriculum-linked programmes from pond dipping to 'woodland experience'. Sessions to suit all age groups in every season.
Family Fun and Informal Learning Look out for our 'Wildlife Watch' events programme or try out the sculpture trail or tree trail as you walk round the site. We also host adult education courses run by our partner organisations.
