7201AR: Sign Cleaning

1. This Specification includes for the cleaning of traffic sign faces and the cleaning of the complete structure of all types of hazard marker posts and traffic bollards.
2. The *Service Manager* may instruct individually specified signs to be cleaned on an as-needs basis.
3. The *Contractor* shall remove all detritus, foreign material, algae and graffiti and ensure the legends are clearly visible to highway users.
4. The *Contractor* may use mechanical or hand methods of cleaning but must ensure that no damage is caused to the sign face, marker post or bollard.
5. Sign cleaning shall not be carried out when the operation is likely to result in the formation of ice which may be a hazard to highway users.
