1 Pricing Evaluation

Bids will be evaluated on the basis of the 'most economically advantageous tender' (MEAT) by way of price and quality (as referred to previously in Part C Selection and Award).

The pricing element of Applicants' Bids will be evaluated using the following scoring system.

The lowest tendered price will be allocated a maximum score of **30%**.

Other tendered prices which are more expensive will be scored using the following equation:

$$\% \text{ Score} = \frac{\text{Lowest price tender} \times \mathbf{30}}{\text{Higher price tendered}}$$

Example:

Lowest tendered price £200,000 scores **30%**

Second lowest tendered price £220,000 = **27.27%**

(£200,000 x **30** ÷ £220,000 = 27.27%)

Third lowest tendered price £265,000 = **22.64%**

(£200,000 x **30** ÷ £265,000 = 22.64%)

This will result in prices being ranked from lowest to highest with percentages being based on the percentage differences between the respective bids.

Applicants are to satisfy themselves that they have understood all the requirements of the specification and the Goods, Services or Works required and to bid their most competitive rates accordingly. All Bids in connection with these Procurement Documents will be considered to be comprehensive and fully inclusive of all costs and charges; no subsequent application from an Applicant will be entertained, post Contract, for any additional payment where the Applicant failed to include a cost or charge in their submitted Bid other than in respect of a variation initiated at the request of the Authority.

For the avoidance of doubt the Authority may use its absolute discretion to disqualify Applicants' Bids under the following circumstances:

- where the Applicant fails to provide a satisfactory response to this Part D Pricing;
- where the Bid is deemed to be undeliverable based on the pricing submitted compared with the Authority's requirements as described in Part B General Information and Specification;
- where the Bid is priced at higher than the indicated upper pricing threshold, as this would be deemed unaffordable.
