Stage Two – Award

Section A. Method Statements

Applicants are required to submit Method Statements, which should be drafted in such a manner so as to be able to form part of the Contract. They should be submitted containing sufficient of detail to demonstrate that the stated outcomes will be deliverable, as defined within Part 2 Specification Lot 1.

Responses must be relevant to the question and be appropriate in length. The evaluation of the response will not go beyond the page/word limit that has been set, if applicable.

Flowcharts and diagrams should be submitted as Appendices and should not be included within the body of your response. Any supporting information or Appendices submitted, must be clearly referenced in the question to which it relates and must be easily identifiable.

Applicants are required to address social value, sustainability, and environmental considerations along with any further added value within their Method Statement responses.
