

Notice Advert for Market Engagement event

## **A New Climbing Centre for North-East London**

Redbridge Council is hosting a market engagement event for climbing centre operators to find out about our plans for a new climbing centre in Ilford.

We are keen to hear the views and suggestions of potential operators already active in the climbing sector.

In this online session, we will present our plans and ambitions before raising a set of questions for you to answer and make your views and suggestions known.

We welcome all interested parties to join this event, including the widest range of leisure, adventure sport, active play and climbing wall providers.

We are also open to separate one to one sessions with potential operators after the engagement event.

Your comments and input will help shape our preparations for a formal procurement process to be launched in Spring 2023.

Date of event: **Friday 9<sup>th</sup> December 2022 at 10am**
