Stage Two – Award

Section A. Method Statements

Applicants are required to submit Method Statements. They should be drafted in such a manner so as to be able to form part of the Contract. They should be submitted containing sufficient detail to demonstrate that the stated outcomes will be deliverable, as defined within Part 2 - Specification.

Responses must be relevant to the question and be appropriate in length. Supporting information may be submitted, provided that it is clearly referenced in the question to which it relates and appended to the main submission.

The evaluation of the response will not go beyond the word limit that has been set, if applicable. **Please note: This document must be submitted in the original Word format so that word limits can be checked.**

Method Statement Number	Method Statement	% Score
