Don'ts

- **Don't** send 'glossy' brochures or information that has not been requested, this makes any responses difficult to properly assess. Only send what has been requested and only send supplementary information if we have offered the opportunity to do so.
- **Don't** send company accounts, reports, H&S Policies, etc. unless we specifically ask for them. If your bid is successful we may ask for confirmation of these details.
- **Don't** seek to influence the tender process by requesting meetings unless invited or contacting the Council to support your tender. If your tender requires clarification you will be contacted.
- **Don't** seek changes to the tender documentation after tenders have been submitted.
- **Don't** leave submitting your tender to the last minute, just in case there are any technical difficulties with IT
- **Don't** ignore the last date/time for clarification – no correspondence will be entered into after this date has passed. Other tenderers may have already submitted their bid
