

Architectural Design Services - Tender for Design Services

Winchester City Council

Sport and Leisure Centre Project, February 2017

Invitation to Tender (ITT) – Update 1

1.1 Amendment to 4.5.3 Section 3 – Project Experience Question

Page 38

Section 4.5.3:

The following paragraph has been amended and should read:

Please provide five project profiles of leisure centres which the members of your proposed delivery team have designed **within the last five (5) years. The Projects are required to have been completed within the last five (5) years. For the avoidance of doubt this includes projects completed in 2012, 2013, 2014, 2015 and 2016.**

This also supersedes the response issued to Clarification response 7:

The Projects are required to have been completed within the last 5 years.

For the avoidance of doubt this includes projects completed in 2012, 2013, 2014, 2015 and 2016.

1.2 Amendment to 4.5.3 Section 3 – Project Experience, Question and Expected Outcome

Page 38

The following paragraphs have been amended and should read:

At least one project to demonstrate experience of designing a competition pool to standard specifications and guidelines as determined by Amateur Swimming Association or equivalent.

Page 39

The following paragraphs have been amended and should read:

At least one of these projects is required demonstrate experience of designing a competition pool to standard specifications and guidelines as determined by Amateur Swimming Association or equivalent - this is a mandatory requirement. If this is not demonstrated then the tenderer will be excluded from the tender process.
