How to Register an Interest:

To register your expression of interest for the above tender you are required to comply with the following:-

- 1) Be registered on the eTendering system – it takes no more than 15 minutes to register and there are no costs involved at all in the process. If you are already registered then go to stage 2
- 2) Once registered, express an interest in the tender (done so by clicking the 'register interest' button available at the bottom of the tender information page).
- 3) Once you have completed the above two steps you can download the tender documents.
 1. Go to www.tenders.gov.je
 2. Click 'login' under the 'Supplier Area' section on the left of the screen
 3. Enter your username and password
 4. Click on 'my opportunities' under the 'Opportunities' section, upper right hand side of screen.
 5. Next 'Organisations' on the left hand side of the screen select an organisation from the dropdown menu and click the icon.
 6. This now gives a list of all the tenders you have expressed interest in where the documents have been published.
 7. Click on the contract ID of the one you want – this is the blue reference number.
 8. Click on the Title – this is the blue title name.
 9. Click 'View' in the top right hand corner – this is in the top section of the screen
 10. This now opens up the details. Attachments such as the specification and other relevant documents can be opened.
 11. Any documents which need details or prices to be entered by you should be saved on your own computer first – they are not saved within the eTendering system.
