

Dorset Care Market Engagement Event – Agenda

Date: Thursday 12th January 2017

Time: 10:00-12:45

Dorset Commissioning Partnership are reshaping Care and Support at Home (Domiciliary Care) Services in Dorset. Organisations involved in the provision of these services are invited to attend this market engagement event, subject to prior registration.

The purpose of the event is to present the proposed delivery and contract models for care and support at home services which will be implemented in December 2017. We aim to increase awareness of the proposals and seek comments from attendees, allowing us to refine these models before implementation.
