Heating Servicing & Maintenance Contract 2019
Notification of Error in Contract Documentation

Dear Mike,

Regarding the contract entered into by Gas Call Services Ltd. And The District Council of Folkestone and Hythe dated 11th September 2019, we have found an error on page 2 of the document.

Clause 2 on this page states:

"In consideration of the provision of the Works by the Contractor, the Employer agrees to pay the Contractor the Contract Sum at the times and in the manner set out in this Contract. The Contract Sum shall be £501,103 (five hundred and one thousand, one hundred and three pounds)."

The "Contract Sum" should be the same as the "approximate anticipated value of work" stated in the contract particulars (clause 2.5) on page 6.

Therefore clause 2 on page 2 should state as follows:

"In consideration of the provision of the Works by the Contractor, the Employer agrees to pay the Contractor the Contract Sum at the times and in the manner set out in this Contract. The Contract Sum shall be £2,761,680 (two million seven hundred and sixty-one thousand six hundred and eighty pounds)."

Please confirm acknowledgement and agreement with this correction by signing and dating a copy of this letter.
