

A595 Grizebeck Contractor Online Information Session

Cumbria County Council will be hosting an online open session with contractors for the A595 Grizebeck project on Wednesday 14th April 2021 from 2pm till 3pm.

The A595 Grizebeck Improvement is a proposed 1 km single carriageway road between Chapels and Grizebeck on the A595. The route runs to the east of the existing A595, past properties at Dove Bank and Dove Ford Farm, before crossing the existing A595 and then forming a new junction with the A595/A5092 to the west of the existing junction. Improving the highway network on the A595 has been identified as critical to support economic growth and the movement of goods and people between West and South Cumbria. The scheme will also ensure the A595 can function adequately as a strategic diversion route for the A590.
