

Shaftesbury Court Service Detail

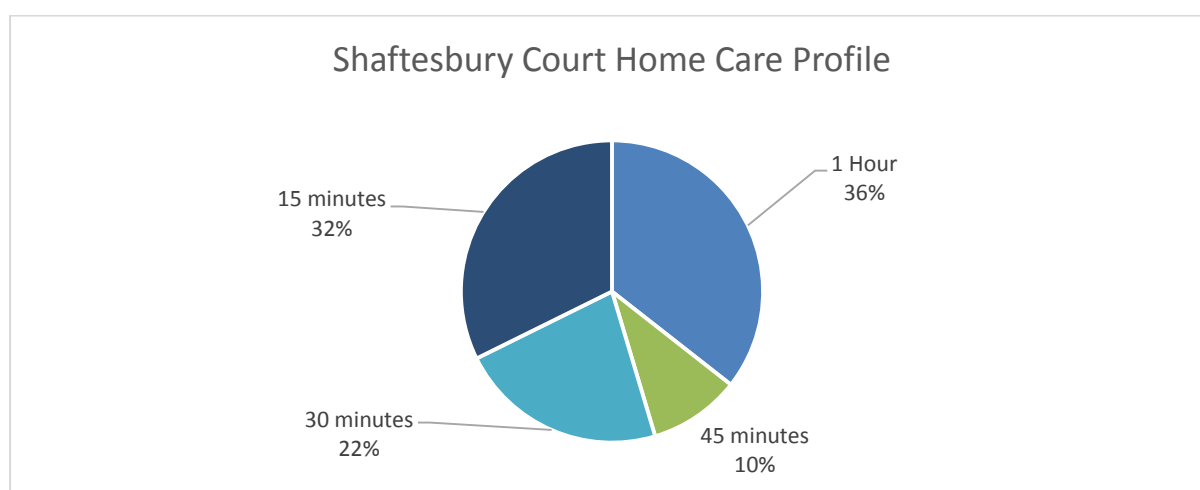

The client group at Shaftesbury Court are primarily younger adults (not older people) with conditions related to physical disabilities rather than frailty associated with old age.

Following this tender, the total block contract for the service at Shaftesbury Court is comprised of the following elements:

- 185 hours per week background support including housing related support and night cover
- 185 hours per week commissioned home care (see table below for further breakdown)

One person requires double up care (7 x hour visits per week, 7 x 30-minute visits per week and 14 x 15 minute visits per week – all double up) included in the table below.

Unit	Total visits per week	Total equivalent hours per week
Hour	109	109
45 minutes	6	4.5
30 minutes	86	43
15 minutes	153	38.25
Background support	-	185

Shaftesbury Court is currently undergoing a lift renovation. As a result, there are 3 vacant properties.
