### **OPEN INVITATION VIA THE LONDON TENDERS PORTAL**

**(Note: this is not a call for competition – it's a call for assistance in finding accommodation)**

Hounslow Council are seeking Supported Living accommodation for a 16-year-old individual, turning 17 this month. We are only looking for a placement in Hounslow Borough.

The individual would like to live in separate accommodation where their needs can be met including a more structured routine, clear boundaries, a safer and more enabling environment. Further information can be provided upon request using the email address below.

Ideally, the individual would like to live in accommodation that is local, calm, offers 24 hours support with carers that will help them with personal care and emotional needs, as well as accessing school, health appointments and the local community.

If you can offer accommodation, please respond to this notice using the email address below by the Friday 7<sup>th</sup> August 2020 - 3pm. Those that have responded will be contacted to discuss the requirement further.

Once the Council has spoken with Providers, a decision will be made who to place the individual with. The decision is that of the Council and will be dependent on your experience, ability to meet the needs of the individual, safe location, actual location, cost of the accommodation / service, be CQC registered with good and above and any further checks required.

If you are able to meet the needs can you respond to Nina Dhokia at [nina.dhokia@hounslow.gov.uk](mailto:nina.dhokia@hounslow.gov.uk).
