GLA81635 - Local Energy Consultancy Framework

Greater London Authority

Publication reference: 2021/S 000-017533

Publication date: 23 July 2021

F02: Contract notice

Section I: Contracting authority

I.1) Name and addresses

Greater London Authority

14 Pier Walk

London

SE10 0ES

Contact

Miss Shaheen Lodhi

Email

SHAHEENLODHI.CPT@TFL.GOV.UK

Country

United Kingdom

NUTS code

UK - United Kingdom

Internet address(es)

Main address

<https://tfl.gov.uk>

Buyer's address

<https://tfl.gov.uk>

I.3) Communication

The procurement documents are available for unrestricted and full direct access, free of charge, at

<https://procontract.due-north.com>

Additional information can be obtained from the above-mentioned address

Tenders or requests to participate must be submitted electronically via

<https://procontract.due-north.com>

I.4) Type of the contracting authority

Regional or local authority

I.5) Main activity

General public services

Section II: Object

II.1) Scope of the procurement

II.1.1) Title

GLA81635 - Local Energy Consultancy Framework

Reference number

DN558723

II.1.2) Main CPV code

- 71314000 - Energy and related services

II.1.3) Type of contract

Services

II.1.4) Short description

The purpose of this procurement is to establish a multi-supplier Framework Agreement for Local Energy Consultancy Services for the Greater London Authority (GLA), but may be utilised by a wide range of organisations as stated in the contract notice and including, but not limited to, the GLA group, Local Authorities, NHS Trusts, Housing Associations, educational establishments and private sector organisations.

II.1.6) Information about lots

This contract is divided into lots: Yes

Tenders may be submitted for all lots

II.2) Description

II.2.1) Title

Lot 1 Technical SubLot 1.1 Pre-feasibility and Detailed Feasibility Studies For DE Projects

Lot No

1.1

II.2.2) Additional CPV code(s)

- 71314000 - Energy and related services
- 71314300 - Energy-efficiency consultancy services

II.2.3) Place of performance

NUTS codes

- UK - United Kingdom

II.2.4) Description of the procurement

This subplot 1.1 includes expertise in early stage, strategic pre-feasibility studies (energy master planning, Local Area Energy Planning etc.) of low/zero carbon, DE networks as well as detailed feasibility studies to be able to decide to progress to detailed project design and development stage.

II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

Duration in months

48

This contract is subject to renewal

No

II.2.10) Information about variants

Variants will be accepted: No

II.2.11) Information about options

Options: No

II.2.13) Information about European Union Funds

The procurement is related to a project and/or programme financed by European Union

funds: Yes

Identification of the project

23R17P00811

II.2) Description

II.2.1) Title

Lot 1 - Technical - Sub-Lot 1.2 - Detailed Design and Project Development of Decentralised Energy Networks

Lot No

1.2

II.2.2) Additional CPV code(s)

- 71314000 - Energy and related services

II.2.3) Place of performance

NUTS codes

- UK - United Kingdom

II.2.4) Description of the procurement

This subplot 1.2 includes expertise in the design and development stage of low/zero carbon DE generation and networks (including hybrid systems e.g. gas and renewable energy systems or heating/cooling and electricity systems) but with a focus on low/zero carbon heat networks. All stages of design and development are required to take the user to a stage where the energy network can be constructed/installed (or developed to a stage where a design, build, operate and maintain contract is tendered for).

II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

Duration in months

48

This contract is subject to renewal

No

II.2.10) Information about variants

Variants will be accepted: No

II.2.11) Information about options

Options: No

II.2.13) Information about European Union Funds

The procurement is related to a project and/or programme financed by European Union funds: Yes

Identification of the project

23R17P00811

II.2) Description

II.2.1) Title

Lot 1 - Technical - Sublot 1.3: Project development and design of renewable, distributed electricity generation and networks

Lot No

1.3

II.2.2) Additional CPV code(s)

- 71314000 - Energy and related services

II.2.3) Place of performance

NUTS codes

- UK - United Kingdom

II.2.4) Description of the procurement

This subplot 1.3 covers expertise for the design and development of low/zero carbon decentralised power generation and networks, recognising there are different requirements to heat (or heat and power) networks regarding network design, equipment, design and safety standards etc. All stages of design and development are required to take the user to a stage where the energy network can be constructed/installed (or developed to a stage where a design, build, operate and maintain contract is tendered for).

II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

Duration in months

48

This contract is subject to renewal

No

II.2.10) Information about variants

Variants will be accepted: No

II.2.11) Information about options

Options: No

II.2.13) Information about European Union Funds

The procurement is related to a project and/or programme financed by European Union funds: Yes

Identification of the project

23R17P00811

II.2) Description

II.2.1) Title

Lot 1 - Technical - Sublot 1.4 Energy modelling and mapping software development

Lot No

1.4

II.2.2) Additional CPV code(s)

- 71314000 - Energy and related services

II.2.3) Place of performance

NUTS codes

- UK - United Kingdom

II.2.4) Description of the procurement

This subplot 1.4 covers expertise in using software for energy mapping and development of software for modelling of energy mapping for low/zero carbon, decentralised energy networks.

II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

Duration in months

48

This contract is subject to renewal

No

II.2.10) Information about variants

Variants will be accepted: Yes

II.2.11) Information about options

Options: No

II.2.13) Information about European Union Funds

The procurement is related to a project and/or programme financed by European Union funds: Yes

Identification of the project

23R17P00811

II.2) Description

II.2.1) Title

Lot 2 - Financial and Commercial Support, Sublot 2.1: Financial business cases/plans for DE projects, financial models, delivery vehicles, ownership and funding structures

Lot No

2.1

II.2.2) Additional CPV code(s)

- 71314000 - Energy and related services

II.2.3) Place of performance

NUTS codes

- UK - United Kingdom

II.2.4) Description of the procurement

This subplot 2.1 covers expertise in financial support and advice around the economic viability and operability of DE networks.

II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

Duration in months

48

This contract is subject to renewal

No

II.2.10) Information about variants

Variants will be accepted: No

II.2.11) Information about options

Options: No

II.2.13) Information about European Union Funds

The procurement is related to a project and/or programme financed by European Union funds: Yes

Identification of the project

23R17P00811

II.2) Description

II.2.1) Title

Lot 2: Financial and Commercial Support:Sublot 2.2: Commercial Support and Documentation For DE Projects

Lot No

2.2

II.2.2) Additional CPV code(s)

- 71314000 - Energy and related services

II.2.3) Place of performance

NUTS codes

- UK - United Kingdom

II.2.4) Description of the procurement

This subplot 2.2 covers commercial expertise in advising and supporting clients with all the commercial aspects of realising a low/zero carbon DE network

II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

Duration in months

48

This contract is subject to renewal

No

II.2.10) Information about variants

Variants will be accepted: No

II.2.11) Information about options

Options: No

II.2.13) Information about European Union Funds

The procurement is related to a project and/or programme financed by European Union funds: Yes

Identification of the project

23R17P00811

II.2) Description

II.2.1) Title

Lot 3: Project Management Support

Lot No

3

II.2.2) Additional CPV code(s)

- 71314000 - Energy and related services

II.2.3) Place of performance**NUTS codes**

- UK - United Kingdom

II.2.4) Description of the procurement

The services provided under lot 3 (Project Management Support) aim to deliver project management expertise in the low/zero carbon decentralised energy network sector. Such support is needed for assisting those organisations who wish to progress low/zero carbon, decentralised energy schemes to installation but do not have the required project management capacity or capability in-house. This project management support may need to be provided throughout all stages of a DE project, i.e. from pre-feasibility up to and including construction and commissioning or just for one stage of a project.

II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system**Duration in months**

48

This contract is subject to renewal

No

II.2.10) Information about variants

Variants will be accepted: No

II.2.11) Information about options

Options: No

II.2.13) Information about European Union Funds

The procurement is related to a project and/or programme financed by European Union funds: Yes

Identification of the project

23R17P00811

II.2) Description

II.2.1) Title

Lot 4 - Multi-disciplinary

Lot No

4

II.2.2) Additional CPV code(s)

- 71314000 - Energy and related services

II.2.3) Place of performance

NUTS codes

- UK - United Kingdom

II.2.4) Description of the procurement

The services provided under lot 4 (Multidisciplinary Support) aim to deliver all technical, commercial, financial and project management expertise required (post-feasibility stage) from project development and design through to project managing contractors on site at installation stage for low/zero carbon, decentralised energy networks.

II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

Duration in months

48

This contract is subject to renewal

No

II.2.10) Information about variants

Variants will be accepted: No

II.2.11) Information about options

Options: No

II.2.13) Information about European Union Funds

The procurement is related to a project and/or programme financed by European Union funds: Yes

Identification of the project

23R17P00811

Section III. Legal, economic, financial and technical information

III.1) Conditions for participation

III.1.2) Economic and financial standing

Selection criteria as stated in the procurement documents

III.1.3) Technical and professional ability

Selection criteria as stated in the procurement documents

Section IV. Procedure

IV.1) Description

IV.1.1) Type of procedure

Open procedure

IV.1.3) Information about a framework agreement or a dynamic purchasing system

The procurement involves the establishment of a framework agreement

Framework agreement with several operators

In the case of framework agreements, provide justification for any duration exceeding 4 years:

IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: Yes

IV.2) Administrative information

IV.2.1) Previous publication concerning this procedure

Notice number: [2020/S 204-497600](#)

IV.2.2) Time limit for receipt of tenders or requests to participate

Date

17 September 2021

Local time

5:00pm

IV.2.4) Languages in which tenders or requests to participate may be submitted

English

IV.2.7) Conditions for opening of tenders

Date

17 September 2021

Local time

5:00pm

Section VI. Complementary information

VI.1) Information about recurrence

This is a recurrent procurement: No

VI.3) Additional information

This contract notice (and the associated procurement documents) are published in good faith. No warranty is given as to the accuracy or completeness of the information contained in it. Any liability for inaccuracy or incompleteness is expressly disclaimed by the GLA and TfL and its advisors.

Nothing in this contract notice (nor in the associated procurement documents) will be taken as constituting an offer (whether implied or otherwise) or any agreement, whether express or implied between, the GLA/TfL, any other Contracting Authority and any other party. The GLA/TfL reserves the right to withdraw from, cancel or amend the procurement process and may award the Open Procedure Contract in whole, in part or not at all as a result of this call for competition with no liability on its part.

Entering into the Framework Agreement does not guarantee any level of services and/or works will be called-off by the contracting authorities. Neither the GLA/TfL shall not be liable for any

costs or expenses incurred by any economic operator in considering and/or responding to the procurement process and/or resulting from any amendment or cancellation of this procurement exercise.

Bidders submit a response to the SSQ at their own risk. All discussions and meetings will be conducted in English.

Tenders and supporting documents must be priced in Pounds Sterling and all payments made under the Contract will be in Pounds Sterling.

To express an interest in this tender, Bidders need to complete and submit a response to the SSQ and ITT in response to the deadline in Section IV.2.2. To access the procurement documents and complete and submit the SSQ, Bidders will need to be registered on the Client's online eTendering portal. To register or to check if you are already registered log on to <https://procontract.due-north.com>. Further instructions and guidance are included in the SSQ and other procurement documents.

Bidders must read the instructions carefully before proceeding with registration and are advised to satisfy themselves that they understand all the requirements of the procurement and terms of the contract and the rules of the procurement process before submitting their tender response. Video tutorials, FAQ's and help pages are included in the Help Centre 'Responding to Tenders' section of the eTendering website (<https://supplierhelp.due-north.com/>).

For further assistance consult the online help, contact 'log a ticket' on the supplier support portal ([http:// www.proactis.com/Support](http://www.proactis.com/Support)) at the first instance. Messages are to be sent to the Client via the messages area on the portal where support is unresolved.

VI.4) Procedures for review

VI.4.1) Review body

HM Courts and Tribunal Service

London

London
