

## Tender Response - Part C - Pricing Schedule - Recycling, Reuse or Disposal of Waste

**DN 710537**

**Bidder Name:**

### Instructions

Please add your Company Name into the cell highlighted in yellow above.

The appointment of a Contractor for the named material streams has been divided into 12 Lots for each of the different streams as specified in section 1.3 of the Specification. Each Lot will be evaluated individually.

Bidder's must note that each tab clearly states in red if the rate submitted is a charge to the Council or is a payment by the bidder to the Council. Cells with rates to be charged to the council are highlighted in green, and rates payable to the council are highlighted in yellow on each tab.

The price submitted for each Lot you are bidding for will form your pricing submission for the tender. Bidder's must not enter into any other cell.

Bidders must note that rates submitted are exclusive of VAT. Please complete all yellow or green highlighted cells on each tab of the Lot(s) you are bidding for.

You do not need to submit a price for every Lot. Please only submit prices for the Lots you wish to bid for and have supplied the corresponding method statement.
