Stage Two – Award Criteria

Section A. Not Used

Section B. Method Statements

Applicants are required to submit Method Statements. They should be drafted in such a manner so as to be able to form part of the Contract. They should be submitted containing sufficient detail to demonstrate that the stated outcomes will be deliverable, as defined within Part 2 Specification.

Responses must be relevant to the question and appropriate in length. Supporting information may be submitted, provided that it is clearly labelled, referenced in the question to which it relates and appended to the main submission.

The evaluation of the response will not go beyond the word limit that has been set, if applicable.

Method Statement Number	Method Statement	15.00%
B1	Please provide a preliminary method statement for the delivery of this project.	5.00%
	<p>Minimum Requirement</p> <p>That the Applicant provides a response to this question.</p> <p>This question has a minimum non-weighted score of 2. The Applicant must demonstrate relevant ability, understanding, experience, skills, resource & quality measures required to deliver the majority of the requirements with evidence to support the response.</p> <p>Evaluation Criteria</p> <p>Your response will be evaluated against your ability to demonstrate and evidence you can meet the following core requirements:</p> <ul style="list-style-type: none">• Establishment of compound, accommodation, welfare, security measures• Material supply routes and site access• Measures to protect public and adjacent infrastructure	

- Temporary works proposals
