

## QUOTATION REQUEST CONSTRUCTION OF WELDMESH FENCE – ELSON RECREATION GROUND.

Gosport Borough Council invites quotations to construct a 5.4 m high weldmesh fence suitable for ball stopping at Elson Recreation Ground. The works consist of removal or refurbishment of the existing fence to a higher fence including removal of self-set sycamore and elder to form a clear line.

The works are to be completed by 31<sup>st</sup> March 2023.

### GENERAL CONSIDERATIONS

Please take the physical constraints of the works locations into account when submitting their quotation. Therefore the contractor must scan the site for services prior to commencing works.

#### Materials

All materials are to be supplied by the contractor and should conform to relevant BS EN standards or equivalent.

The contractor shall be responsible for supplying all materials.

The contractor will specify the materials to be used within their returned quotation. The specified materials will be installed as specified by the manufacturer or industry good practice to produce the required outcomes.

#### Site Safety

The successful supplier will be required to complete a risk assessment and method statement for the and prior to commencement of works

Ensure all Health and Safety requirements are in place including Chapter 8 signing & guarding of street works.

The Government regulations and guidance on COVID-19 are to be adhered to – Details for specific work sites / locations can be found on the Governments website at <https://www.gov.uk/guidance/working-safely-during-coronavirus-covid-19>

All operatives must be provided with and use / wear appropriate Personal Protective Equipment (PPE) All PPE shall be to relevant British Standard or equivalent. All operatives shall wear safety footwear and Hi-Visibility waistcoat or jacket of the appropriate class at all times for the duration of working on site

#### Documents

The contractor shall provide evidence of Public Liability Insurance with minimum cover of £10 million along with £5 million employers liability insurance, please also provide industry accreditation for these works along with a valid waste carriers licence with details for the disposal of the waste generated by these works or a valid trade waste agreement.

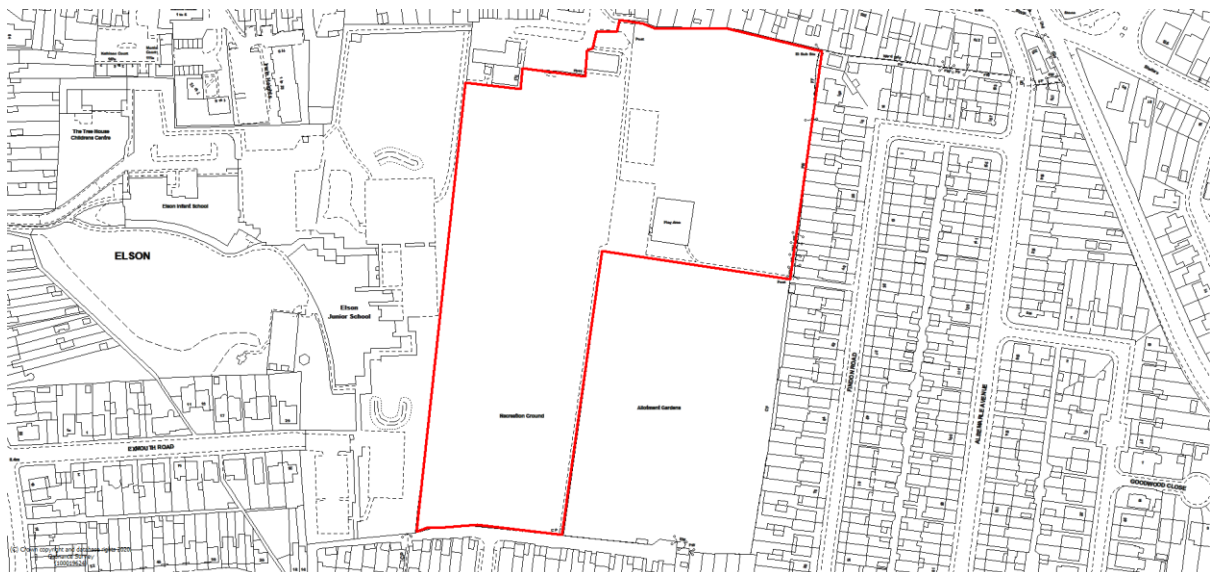

Please note failure to provide valid insurance, waste carriers licence and information regarding any waste disposal associated with these works will eliminate the quotation from consideration.

## DETAIL OF REQUIRED WORKS

### Site information

Address - Elson Recreation Ground – Rear of Amberley Road PO12 4EN

### Plan of location

### Location of works

### Aims

To reduce the incidence of footballs escaping the recreation ground when kicked towards the goalmouth near Amberley Road backway by towards the goalmouth so that the fence is sited on higher ground providing space for planting trees between the fence and the backway.

### Site Pictures

#### Picture 1 Existing fence

### Required Works
